Existing law requires a person who hunts any wildlife to obtain a license or permit to do so in this State. (NRS 502.010) In addition to a regular hunting license, existing law requires a person to obtain an additional license, known as a tag, to hunt any deer, elk, antelope, bighorn sheep, bear, moose, mountain lion or mountain goat. (NRS 502.130) Any license issued pursuant to title 45 of NRS relating to wildlife is: (1) not transferable to a person other than the person to whom the license was issued; and (2) subject to forfeiture if the license is transferred to another person. (NRS 502.100)

Section 1 of this bill authorizes the Board of Wildlife Commissioners to adopt regulations establishing: (1) conditions or events which are extenuating circumstances; (2) a process through which a person who holds a tag to hunt a big game mammal in this State and who claims an extenuating circumstance may provide documentation which shows that his or her condition or event qualifies as an extenuating circumstance; and (3) a program through which such a person who has proven that he or she qualifies for an extenuating circumstance may transfer, defer use of or return to the Department of Wildlife his or her tag to hunt a big game mammal in this State. **Section 1** further prohibits a person who transfers his or her tag to hunt big game mammals in this State from charging a fee or receiving any compensation for such a transfer. **Section 1** additionally provides that an extenuating circumstance is any illness, injury or other condition or event, as determined by the Commission, of a person who holds a tag to hunt a big game mammal in this State or a family member of such a person that causes the

person who holds such a tag to be unable to use his or her tag to hunt a big game mammal in this State. **Section 6** of this bill makes a conforming change.
