AN ACT relating to the Airport Authority of Carson City; revising provisions relating to the appointment of members of the Board of Trustees of the Authority; revising the powers of the Board; revising provisions governing procedures concerning employment; removing an obsolete transitory provision; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Airport Authority of Carson City was created by law in 1989 and has been in operation since January 1, 1990. (Chapter 844, Statutes of Nevada 1989, p. 2025) The Authority is governed by the Board of Trustees of the Authority which is composed of seven members appointed to 4-year terms by the Board of Supervisors of Carson City. Under existing law, each member of the Board of Trustees, except the member who is a city official, is not eligible to serve consecutive terms. (Airport Authority Act for Carson City § 4) **Section 1** of this bill authorizes such a member to serve not more than two consecutive terms and allows reappointment after a lapse of 4 years. **Section 5** of this bill clarifies the continued staggering of the 4-year terms after the initial appointments.

Section 2 of this bill adds statutory references to certain specified provisions of the Nevada Revised Statutes with which the Board of Trustees is required to comply. (Airport Authority Act for Carson City § 8)

Existing law authorizes the Board of Trustees to acquire real and personal property by gift or devise without the approval of the Board of Supervisors, but requires the Board of Trustees to obtain the approval of the Board of Supervisors to acquire real and personal property by purchase or lease and to lease ~~real~~, **sell or otherwise dispose of** property that it has acquired. (Airport Authority Act for Carson City § 9) **Section 3** of this bill removes the requirement that the Board of Trustees obtain the approval of the Board of Supervisors to acquire **:(1) real property by lease ~~[-, to acquire]~~ ; or (2) personal property by purchase or lease ~~[-, and to lease real property that it has acquired.]~~** Additionally, **section 3** eliminates the requirement that the Board of Trustees obtain the approval of the Board of Supervisors for any contract between the Board of Trustees and a fixed base operator at the airport. **Section 3** also removes the authority of the Board of Trustees to provide emergency services for the Authority. Finally, **section 3** clarifies the types of agreements into which the Board of Trustees and the Board of Supervisors may enter.

Existing law prescribes specific requirements that any procedures adopted by the Board relating to the hiring, promoting and discharging of employees of the Authority must include. (Airport Authority Act for Carson City § 24) **Section 4** of this bill eliminates those specific requirements, thereby giving the Board the authority to determine the contents of those procedures.

Existing law required the District Attorney of Carson City to defend the Authority if any action contesting any provisions of the Airport Authority Act or the legal status of the Authority was brought before the Authority had sufficient money to hire legal counsel. (Airport Authority Act for Carson City § 28) **Section 6** of this bill removes this obsolete transitory provision.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:**
