THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 483.330 is hereby amended to read as follows:

483.330 1. The Department may require every applicant for a driver's license, including a commercial driver's license issued pursuant to NRS 483.900 to 483.940, inclusive, to submit to an examination. The examination may include:

(a) A test of the applicant's ability to understand official devices used to control traffic;

(b) A test of the applicant's knowledge of practices for safe driving and the traffic laws of this State;

(c) Except as otherwise provided in subsection 2, a test of the applicant's eyesight; and

(d) Except as otherwise provided in subsection 3, an actual demonstration of the applicant's ability to exercise ordinary and reasonable control in the operation of a motor vehicle of the type or class of vehicle for which he or she is to be licensed.

➤ The examination may also include such further physical and mental examination as the Department finds necessary to determine the applicant's fitness to drive a motor vehicle safely upon the highways. If the Department requires an applicant to submit to a test specified in paragraph (b), the Department shall ensure that the test includes at least one question testing the applicant's knowledge of the provisions of NRS 484B.165.

2. The Department may provide by regulation for the acceptance of a report from an ophthalmologist, optician , ~~and~~ optometrist , *physician or advanced practice registered nurse* in lieu of an eye test by a driver's license examiner.

3. If the Department establishes a type or classification of driver's license to operate a motor vehicle of a type which is not normally available to examine an applicant's ability to exercise ordinary and reasonable control of such a vehicle, the Department may, by regulation, provide for the acceptance of an affidavit from a:

(a) Past, present or prospective employer of the applicant; or

(b) Local joint apprenticeship committee which had jurisdiction over the training or testing, or both, of the applicant,

➤ in lieu of an actual demonstration.

4. The Department may waive an examination pursuant to subsection 1 for a person applying for a Nevada driver's license who possesses a valid driver's license of the same type or class issued by another jurisdiction unless that person:

(a) Has not attained 21 years of age, except that the Department may, based on the driving record of the applicant, waive the examination to demonstrate the applicant's ability to exercise ordinary and reasonable control in the operation of a motor vehicle of the same type or class of vehicle for which he or she is to be licensed;

(b) Has had his or her license or privilege to drive a motor vehicle suspended, revoked or cancelled or has been otherwise disqualified from driving during the immediately preceding 4 years;

(c) Has been convicted of a violation of NRS 484C.130 or, during the immediately preceding 7 years, of a violation of NRS 484C.110, 484C.120 or 484C.430 or a law of any other jurisdiction that prohibits the same or similar conduct;

(d) Has restrictions to his or her driver's license which the Department must reevaluate to ensure the safe driving of a motor vehicle by that person;

(e) Has had three or more convictions of moving traffic violations on his or her driving record during the immediately preceding 4 years; or

(f) Has been convicted of any of the offenses related to the use or operation of a motor vehicle which must be reported pursuant to the provisions of ~~Part~~ *Part* 1327 ~~et seq.~~ of Title 23 of the Code of Federal Regulations relating to the National Driver Register Problem Driver Pointer System during the immediately preceding 4 years.

Sec. 2. NRS 483.348 is hereby amended to read as follows:

483.348 1. Except as otherwise provided in subsection 2, the Department shall issue a driver's license with a specially colored background to any person who qualifies for a driver's license pursuant to the provisions of this chapter and delivers to the Department a signed statement from a physician *or an advanced practice registered nurse* that the person is an insulin dependent diabetic or an epileptic. The Department shall designate one color to be used only for a driver's license held by a diabetic and another color to be used only for a driver's license held by an epileptic.

2. In lieu of issuing a driver's license pursuant to subsection 1, the Department may issue to a person specified in that subsection a driver's license with a specially colored border around the photograph on the license.

3. The Department of Public Safety shall provide for the education of peace officers on the:

(a) Effects and treatment of a person suffering from a diabetic condition or an epileptic seizure and the similarity in appearance of a person suffering from a diabetic condition or an epileptic seizure to a person under the influence of alcohol or a controlled substance; and

(b) Procedures for identifying and handling situations involving a person suffering from a diabetic condition or an epileptic seizure.

Sec. 3. NRS 483.349 is hereby amended to read as follows:

483.349 1. Upon the application of a person with a disability which limits or impairs the ability to walk, the Department shall place on any driver's license issued to the person pursuant to the provisions of this chapter a designation that the person is a person with a disability. The application must include a statement from a licensed physician *or an advanced practice registered nurse* certifying that the applicant is a person with a disability which limits or impairs the ability to walk.

2. For the purposes of this section, "person with a disability which limits or impairs the ability to walk" has the meaning ascribed to it in NRS 482.3835.

Sec. 4. NRS 483.363 is hereby amended to read as follows:

483.363 1. A person who is 18 years of age or older may file with the Department a report requesting that the Department examine a licensee who:

(a) Is related to the person filing the report within the third degree of consanguinity or who is the spouse of the person filing the report; and

(b) The person filing the report reasonably and in good faith believes cannot safely operate a motor vehicle.

2. The report described in subsection 1 must:

1 (a) Include the name, relationship, address, telephone number and signature of
2 the person filing the report.

3 (b) State the person's basis for believing that the licensee cannot safely operate
4 a motor vehicle, which basis must be:

5 (1) Personal observation or physical evidence of a physical or medical
6 condition that has the potential to impair the ability of the licensee to operate a
7 motor vehicle, corroborated by an affidavit from a physician *or an advanced*
8 *practice registered nurse* in which the physician *or advanced practice registered*
9 *nurse* concurs that the licensee should be examined to determine the licensee's
10 ability to safely operate a motor vehicle;

11 (2) Personal knowledge that the driving record of the licensee indicates the
12 unsafe operation of a motor vehicle, corroborated by an affidavit from a physician
13 *or an advanced practice registered nurse* in which the physician *or advanced*
14 *practice registered nurse* concurs that the licensee should be examined to
15 determine the licensee's ability to safely operate a motor vehicle; or

16 (3) An investigation by a law enforcement officer.

17 (c) Be kept confidential, except as otherwise provided in NRS 239.0115 and
18 except that the report must be released upon request of the licensee or an order of a
19 court of competent jurisdiction.

20 ➤ No person may file more than one report concerning the same licensee within a
21 12-month period.

22 3. The Administrator shall prescribe:

23 (a) A standard form to be used for the filing of a report pursuant to this section;
24 and

25 (b) The procedure to be used for the filing of a report pursuant to this section.

26 **Sec. 5.** NRS 483.384 is hereby amended to read as follows:

27 483.384 1. The Department may require an applicant for a renewal license
28 to appear before an examiner for a driver's license and successfully pass an eye
29 test.

30 2. The Department may accept, in lieu of an eye test, a report from an
31 ophthalmologist, optometrist, *physician, advanced practice registered nurse* or
32 agency of another state which has duties comparable to those of the Department if
33 the reported test was performed within 90 days before the application for renewal
34 and:

35 (a) The applicant is qualified to renew his or her driver's license by mail in
36 accordance with the procedure established pursuant to NRS 483.383; or

37 (b) The Department determines, upon good cause shown, that the applicant is
38 unable to appear in person.

39 3. The Department shall adopt regulations which prescribe:

40 (a) The criteria to determine which applicant for a renewal license must appear
41 and successfully pass an eye test.

42 (b) The circumstances under which the Department will accept a report from
43 an ophthalmologist, optometrist, *physician, advanced practice registered nurse* or
44 agency of another state which is authorized to conduct eye tests, in lieu of an eye
45 test for the renewal of an applicant's driver's license.

46 4. If the Administrator or his or her authorized agent has reason to believe
47 that the licensee is no longer qualified to receive a license because of the licensee's
48 physical condition, the Department may require that the applicant submit to an
49 examination pursuant to the provisions of NRS 483.330. The age of a licensee, by
50 itself, does not constitute grounds for requiring an examination of driving
51 qualifications.

1 **Sec. 6.** NRS 483.575 is hereby amended to read as follows:

2 483.575 1. A person with epilepsy shall not operate a motor vehicle if that
3 person has been informed by a physician *or an advanced practice registered nurse*
4 pursuant to NRS 629.047 that his or her condition would severely impair his or her
5 ability to safely operate a motor vehicle.

6 2. If a physician *or an advanced practice registered nurse* is aware that a
7 person has violated subsection 1 after the physician *or advanced practice*
8 *registered nurse* has informed the person pursuant to NRS 629.047 that the
9 person's condition would severely impair his or her ability to safely operate a motor
10 vehicle, the physician *or advanced practice registered nurse* may, without the
11 consent of the person, submit a written report to the Department that includes the
12 name, address and age of the person. A report received by the Department pursuant
13 to this subsection:

14 (a) Is confidential, except that the contents of the report may be disclosed to
15 the person about whom the report is made; and

16 (b) May be used by the Department solely to determine the eligibility of the
17 person to operate a vehicle on the streets and highways of this State.

18 3. The submission by a physician *or an advanced practice registered nurse*
19 of a report pursuant to subsection 2 is solely within his or her discretion. No cause
20 of action may be brought against a physician *or an advanced practice registered*
21 *nurse* based on the fact that he or she did not submit such a report.

22 4. No cause of action may be brought against a physician *or an advanced*
23 *practice registered nurse* based on the fact that he or she submitted a report
24 pursuant to subsection 2 unless the physician *or advanced practice registered*
25 *nurse* acted with malice, intentional misconduct, gross negligence or intentional or
26 knowing violation of the law.

27 **Sec. 7.** NRS 483.865 is hereby amended to read as follows:

28 483.865 1. Upon the application of a person with a disability which limits
29 or impairs the ability to walk, the Department shall place on any identification card
30 issued to the person pursuant to NRS 483.810 to 483.890, inclusive, a designation
31 that the person is a person with a disability. The application must include a
32 statement from a licensed physician *or an advanced practice registered nurse*
33 certifying that the applicant is a person with a disability which limits or impairs the
34 ability to walk.

35 2. For the purposes of this section, "person with a disability which limits or
36 impairs the ability to walk" has the meaning ascribed to it in NRS 482.3835.

37 **Sec. 8.** NRS 484B.157 is hereby amended to read as follows:

38 484B.157 1. Except as otherwise provided in subsection 7, any person who
39 is transporting a child who is less than 6 years of age and who weighs 60 pounds or
40 less in a motor vehicle operated in this State which is equipped to carry passengers
41 shall secure the child in a child restraint system which:

42 (a) Has been approved by the United States Department of Transportation in
43 accordance with the Federal Motor Vehicle Safety Standards set forth in 49 C.F.R.
44 Part 571;

45 (b) Is appropriate for the size and weight of the child; and

46 (c) Is installed within and attached safely and securely to the motor vehicle:

47 (1) In accordance with the instructions for installation and attachment
48 provided by the manufacturer of the child restraint system; or

49 (2) In another manner that is approved by the National Highway Traffic
50 Safety Administration.

51 2. If a defendant pleads or is found guilty of violating the provisions of
52 subsection 1, the court shall:

1 (a) For a first offense, order the defendant to pay a fine of not less than \$100 or
2 more than \$500 or order the defendant to perform not less than 10 hours or more
3 than 50 hours of community service;

4 (b) For a second offense, order the defendant to pay a fine of not less than \$500
5 or more than \$1,000 or order the defendant to perform not less than 50 hours or
6 more than 100 hours of community service; and

7 (c) For a third or subsequent offense, suspend the driver's license of the
8 defendant for not less than 30 days or more than 180 days.

9 3. At the time of sentencing, the court shall provide the defendant with a list
10 of persons and agencies approved by the Department of Public Safety to conduct
11 programs of training and perform inspections of child restraint systems. The list
12 must include, without limitation, an indication of the fee, if any, established by the
13 person or agency pursuant to subsection 4. If, within 60 days after sentencing, a
14 defendant provides the court with proof of satisfactory completion of a program of
15 training provided for in this subsection, the court shall:

16 (a) If the defendant was sentenced pursuant to paragraph (a) of subsection 2,
17 waive the fine or community service previously imposed; or

18 (b) If the defendant was sentenced pursuant to paragraph (b) of subsection 2,
19 reduce by one-half the fine or community service previously imposed.

20 ➤ A defendant is only eligible for a reduction of a fine or community service
21 pursuant to paragraph (b) if the defendant has not had a fine or community service
22 waived pursuant to paragraph (a).

23 4. A person or agency approved by the Department of Public Safety to
24 conduct programs of training and perform inspections of child restraint systems
25 may, in cooperation with the Department, establish a fee to be paid by defendants
26 who are ordered to complete a program of training. The amount of the fee, if any:

27 (a) Must be reasonable; and

28 (b) May, if a defendant desires to acquire a child restraint system from such a
29 person or agency, include the cost of a child restraint system provided by the person
30 or agency to the defendant.

31 ➤ A program of training may not be operated for profit.

32 5. For the purposes of NRS 483.473, a violation of this section is not a
33 moving traffic violation.

34 6. A violation of this section may not be considered:

35 (a) Negligence in any civil action; or

36 (b) Negligence or reckless driving for the purposes of NRS 484B.653.

37 7. This section does not apply:

38 (a) To a person who is transporting a child in a means of public transportation,
39 including a taxi, school bus or emergency vehicle.

40 (b) When a physician *or an advanced practice registered nurse* determines
41 that the use of such a child restraint system for the particular child would be
42 impractical or dangerous because of such factors as the child's weight, physical
43 unfitness or medical condition. In this case, the person transporting the child shall
44 carry in the vehicle the signed statement of the physician *or advanced practice*
45 *registered nurse* to that effect.

46 8. As used in this section, "child restraint system" means any device that is
47 designed for use in a motor vehicle to restrain, seat or position children. The term
48 includes, without limitation:

49 (a) Booster seats and belt-positioning seats that are designed to elevate or
50 otherwise position a child so as to allow the child to be secured with a safety belt;

51 (b) Integrated child seats; and

52 (c) Safety belts that are designed specifically to be adjusted to accommodate
53 children.

1 **Sec. 9.** NRS 484C.160 is hereby amended to read as follows:

2 484C.160 1. Except as otherwise provided in subsections 4 and 5, any
3 person who drives or is in actual physical control of a vehicle on a highway or on
4 premises to which the public has access shall be deemed to have given his or her
5 consent to an evidentiary test of his or her blood, urine, breath or other bodily
6 substance to determine the concentration of alcohol in his or her blood or breath or
7 to determine whether a controlled substance, chemical, poison, organic solvent or
8 another prohibited substance is present, if such a test is administered at the request
9 of a police officer having reasonable grounds to believe that the person to be tested
10 was:

12 of intoxicating liquor or a controlled substance or with a prohibited substance in his
13 or her blood or urine; or

14 (b) Engaging in any other conduct prohibited by NRS 484C.110, 484C.120,
15 484C.130 or 484C.430.

16 2. A police officer who requests that a person submit to a test pursuant to
17 subsection 1 shall inform the person that his or her license, permit or privilege to
18 drive will be revoked if he or she fails to submit to the test.

19 3. If the person to be tested pursuant to subsection 1 is dead or unconscious,
20 the officer shall direct that samples of blood from the person to be tested.

21 4. Any person who is afflicted with hemophilia or with a heart condition
22 requiring the use of an anticoagulant as determined by a physician *or an advanced*
23 *practice registered nurse* is exempt from any blood test which may be required
24 pursuant to this section but must, when appropriate pursuant to the provisions of
25 this section, be required to submit to a breath or urine test.

26 5. If the concentration of alcohol in the blood or breath of the person to be
27 tested is in issue:

28 (a) Except as otherwise provided in this section, the person may refuse to
29 submit to a blood test if means are reasonably available to perform a breath test.

30 (b) The person may request a blood test, but if means are reasonably available
31 to perform a breath test when the blood test is requested, and the person is
32 subsequently convicted, the person must pay for the cost of the blood test, including
33 the fees and expenses of witnesses whose testimony in court or an administrative
34 hearing is necessary because of the use of the blood test. The expenses of such a
35 witness may be assessed at an hourly rate of not less than:

36 (1) Fifty dollars for travel to and from the place of the proceeding; and

37 (2) One hundred dollars for giving or waiting to give testimony.

38 (c) Except as otherwise provided in NRS 484C.200, not more than three
39 samples of the person's blood or breath may be taken during the 5-hour period
40 immediately following the time of the initial arrest.

41 6. Except as otherwise provided in subsection 7, if the presence of a
42 controlled substance, chemical, poison, organic solvent or another prohibited
43 substance in the blood or urine of the person is in issue, the officer may request that
44 the person submit to a blood or urine test, or both.

45 7. If the presence of marijuana in the blood of the person is in issue, the
46 officer may request that the person submit to a blood test.

47 8. Except as otherwise provided in subsections 4 and 6, a police officer shall
48 not request that a person submit to a urine test.

49 9. If a person to be tested fails to submit to a required test as requested by a
50 police officer pursuant to this section and the officer has reasonable grounds to
51 believe that the person to be tested was:

(a) Driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or with a prohibited substance in his or her blood or urine; or

(b) Engaging in any other conduct prohibited by NRS 484C.110, 484C.120, 484C.130 or 484C.430,

➤ the officer may apply for a warrant or court order directing that reasonable force be used to the extent necessary to obtain samples of blood from the person to be tested.

10. If a person who is less than 18 years of age is requested to submit to an evidentiary test pursuant to this section, the officer shall, before testing the person, make a reasonable attempt to notify the parent, guardian or custodian of the person, if known.

3. EXCEPT AS YOU OTHERWISE SPECIFY IN THIS DOCUMENT, THE POWER OF THE PERSON YOU DESIGNATE TO MAKE HEALTH CARE DECISIONS FOR YOU MAY INCLUDE THE POWER TO CONSENT TO YOUR DOCTOR **OR ADVANCED PRACTICE REGISTERED NURSE** NOT GIVING TREATMENT OR STOPPING TREATMENT WHICH WOULD KEEP YOU ALIVE.

4. UNLESS YOU SPECIFY A SHORTER PERIOD IN THIS DOCUMENT, THIS POWER WILL EXIST INDEFINITELY FROM THE DATE YOU EXECUTE THIS DOCUMENT AND, IF YOU ARE UNABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF, THIS POWER WILL CONTINUE TO EXIST UNTIL THE TIME WHEN YOU BECOME ABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF.

IN ADDITION, NO TREATMENT MAY BE GIVEN TO YOU OVER YOUR OBJECTION, AND HEALTH CARE NECESSARY TO KEEP YOU ALIVE MAY NOT BE STOPPED IF YOU OBJECT.

6. YOU HAVE THE RIGHT TO REVOKE THE APPOINTMENT OF THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU BY NOTIFYING THAT PERSON OF THE REVOCATION ORALLY OR IN WRITING.

1. DESIGNATION OF HEALTH CARE AGENT.

I,
(insert your name) do hereby designate and appoint:

Name:
Address:
Telephone Number:

as my agent to make health care decisions for me as authorized in this document.

(Insert the name and address of the person you wish to designate as your agent to make health care decisions for you. Unless the person is also

2. CREATION OF DURABLE POWER OF ATTORNEY FOR HEALTH CARE.

By this document I intend to create a durable power of attorney by appointing the person designated above to make health care decisions for me. This power of attorney shall not be affected by my subsequent incapacity.

3. GENERAL STATEMENT OF AUTHORITY GRANTED.

In the event that I am incapable of giving informed consent with respect to health care decisions, I hereby grant to the agent named above full power and authority: to make health care decisions for me before or after my death, including consent, refusal of consent or withdrawal of consent to any care, treatment, service or procedure to maintain, diagnose or treat a physical or mental condition; to request, review and receive any information, verbal or written, regarding my physical or mental health, including, without limitation, medical and hospital records; to execute on my behalf any releases or other documents that may be required to obtain medical care and/or medical and hospital records, EXCEPT any power to enter into any arbitration agreements or execute any arbitration clauses in connection with admission to any health care facility including any skilled nursing facility; and subject only to the limitations and special provisions, if any, set forth in paragraph 4 or 6.

4. SPECIAL PROVISIONS AND LIMITATIONS.

(Your agent is not permitted to consent to any of the following: commitment to or placement in a mental health treatment facility, convulsive treatment, psychosurgery, sterilization or abortion. If there are any other types of treatment or placement that you do not want your agent's authority to give consent for or other restrictions you wish to place on his or her agent's authority, you should list them in the space below. If you do not write any limitations, your agent will have the broad powers to make health care decisions on your behalf which are set forth in paragraph 3, except to the extent that there are limits provided by law.)

In exercising the authority under this durable power of attorney for health care, the authority of my agent is subject to the following special provisions and limitations:

.....
.....
.....
.....

5. DURATION.

I understand that this power of attorney will exist indefinitely from the date I execute this document unless I establish a shorter time. If I am unable to make health care decisions for myself when this power of attorney expires, the authority I have granted my agent will continue to exist until the time when I become able to make health care decisions for myself.

(IF APPLICABLE)

I wish to have this power of attorney end on the following date:

6. STATEMENT OF DESIRES.

(With respect to decisions to withhold or withdraw life-sustaining treatment, your agent must make health care decisions that are consistent with your known desires. You can, but are not required to, indicate your desires below. If your desires are unknown, your agent has the duty to act in your best interests; and, under some circumstances, a judicial proceeding may be necessary so that a court can determine the health care decision that is in your best interests. If you wish to indicate your desires, you may INITIAL the statement or statements that reflect your desires and/or write your own statements in the space below.)

(If the statement reflects your desires, initial the box next to the statement.)

1. I desire that my life be prolonged to the greatest extent possible, without regard to my condition, the chances I have for recovery or long-term survival, or the cost of the procedures. [.....]

2. If I am in a coma which my doctors *or advanced practice registered nurses* have reasonably concluded is irreversible, I desire that life-sustaining or prolonging treatments not be used. (Also should utilize provisions of NRS 449A.400 to 449A.481, inclusive, if this subparagraph is initialed.) [.....]

3. If I have an incurable or terminal condition or illness and no reasonable hope of long-term recovery or survival, I desire that life-sustaining or prolonging treatments not be used. (Also should utilize provisions of NRS 449A.400 to 449A.481, inclusive, if this subparagraph is initialed.) [.....]

4. Withholding or withdrawal of artificial nutrition and hydration may result in death by starvation or dehydration. I want to receive or continue receiving artificial nutrition and hydration by way of the gastrointestinal tract after all other treatment is withheld. [.....]

5. I do not desire treatment to be provided and/or continued if the burdens of the treatment outweigh the expected benefits. My agent is to consider the relief of suffering, the preservation or restoration of functioning, and the quality as well as the extent of the possible extension of my life. [.....]

(If you wish to change your answer, you may do so by drawing an "X" through the answer you do not want, and circling the answer you prefer.)

Other or Additional Statements of Desires:

(You are not required to designate any alternative agent but you may do so. Any alternative agent you designate will be able to make the same health care decisions as the agent designated in paragraph 1, page 2, in the event that he or she is unable or unwilling to act as your agent. Also, if the agent designated in paragraph 1 is your spouse, his or her designation as your agent is automatically revoked by law if your marriage is dissolved.)

If the person designated in paragraph 1 as my agent is unable to make health care decisions for me, then I designate the following persons to serve as my agent to make health care decisions for me as authorized in this document, such persons to serve in the order listed below:

A. First Alternative Agent

Name:
Address:
Telephone Number:

B. Second Alternative Agent

Address:

8. PRIOR DESIGNATIONS REVOKED.

10. CHALLENGES.

If the legality of any provision of this Durable Power of Attorney for Health Care is questioned by my physician, *my advanced practice registered nurse*, my agent or a third party, then my agent is authorized to commence an action for declaratory judgment as to the legality of the provision in question. The cost of any such action is to be paid from my estate. This Durable Power of Attorney for Health Care must be construed and interpreted in accordance with the laws of the State of Nevada.

11. NOMINATION OF GUARDIAN.

DURABLE POWER OF ATTORNEY
FOR HEALTH CARE DECISIONS

My name is..... (insert your name) and my address is..... (insert your address). I would like to designate..... (insert the name of the person you wish to designate as your agent for health care decisions for you) as my agent for health care decisions for me if I am sick or hurt and need to see a doctor *or an advanced practice registered nurse* or go to the hospital. I understand what this means.

If I am sick or hurt, my agent should take me to the doctor ☐ *or an advanced practice registered nurse*. If my agent is not with me when I become sick or hurt, please contact my agent and ask him or her to come to the doctor's *or advanced practice registered nurse's* office. I would like the doctor *or advanced practice registered nurse* to speak with my agent and me about my sickness or injury and whether I need any medicine or other treatment. After we speak with the doctor ☐ *or advanced practice*

registered nurse, I would like my agent to speak with me about the care or treatment. When we have made decisions about the care or treatment, my agent will tell the doctor *or advanced practice registered nurse* about our decisions and sign any necessary papers.

If I am very sick or hurt, I may need to go to the hospital. I would like my agent to help me decide if I need to go to the hospital. If I go to the hospital, I would like the people who work at the hospital to try very hard to care for me. If I am able to communicate, I would like the doctor *or advanced practice registered nurse* at the hospital to speak with me and my agent about what care or treatment I should receive, even if I am unable to understand what is being said about me. After we speak with the doctor *or advanced practice registered nurse*, I would like my agent to help me decide what care or treatment I should receive. Once we decide, my agent will sign any necessary paperwork. If I am unable to communicate because of my illness or injury, I would like my agent to make decisions about my care or treatment based on what he or she thinks I would do and what is best for me.

I would like my agent to help me decide if I need to see a dentist and help me make decisions about what care or treatment I should receive from the dentist. Once we decide, my agent will sign any necessary paperwork.

I would also like my agent to be able to see and have copies of all my medical records. If my agent requests to see or have copies of my medical records, please allow him or her to see or have copies of the records.

I understand that my agent cannot make me receive any care or treatment that I do not want. I also understand that I can take away this power from my agent at any time, either by telling my agent that he or she is no longer my agent or by putting it in writing.

If my agent is unable to make health care decisions for me, then I designate..... (insert the name of another person you wish to designate as your alternative agent to make health care decisions for you) as my agent to make health care decisions for me as authorized in this document.
