AN ACT relating to law enforcement; conferring the powers of a peace officer on certain law enforcement personnel relating to Indian tribes under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing federal law, Congress delegated limited authority relating to Indian tribes to the states, authorizing certain states, including Nevada, to exercise broad criminal jurisdiction and limited civil jurisdiction over tribal lands within those states. Existing state law, however, prohibits this State from assuming such jurisdiction unless the affected Indian tribe consents to the delegation of authority. (Pub. Law No. 83-280, 25 U.S.C. §§ 1321-1326; NRS 41.430)

Existing law recognizes certain persons as peace officers. (NRS 289.150-289.360) **Section 1** of this bill confers the same powers of a peace officer on persons employed by Indian tribes as law enforcement officers under certain circumstances. **Section 1** requires such an officer to receive ~~the equivalent to~~ **certification as** a category I peace officer ~~certification from~~ by the Peace Officers' Standards and Training Commission. Additionally, **section 1** limits the authority of the officer acting as a peace officer to within the boundaries of the Indian reservation or Indian colony, unless the Indian tribe executes a written agreement with a ~~law enforcement agency setting forth the nature of the relationship between the Indian tribe and the law enforcement agency, including~~ **county sheriff. Section 1 provides that the agreement must include: (1) information relating to the rights and responsibilities of certain persons; and (2) the authority of the officer to act outside of the Indian reservation or Indian colony and within the** ~~jurisdictional~~ **geographic** boundaries of the ~~law enforcement agency.~~ **county.**

**Section 1 provides that a county sheriff shall have the jurisdiction and authority to enter into a written agreement with an Indian tribe on behalf of a metropolitan police department or the police department of an incorporated city located within the geographic boundaries of the county. Section 1 also provides that such a police department is deemed to have consented to: (1) the jurisdiction and authority of the county sheriff to execute such an agreement with the Indian tribe on behalf of the law enforcement agency; and (2) all of the terms of the executed agreement. Section 1 also prohibits such law enforcement agencies from independently executing a written agreement with an Indian tribe for the purposes set forth in section 1.** Finally, **section 1** provides that nothing in ~~this~~ **that** section impairs or affects the sovereignty of the Indian tribe. **Section 3** of this bill makes a conforming change.
