AN ACT relating to tow cars; revising provisions governing the notice required before towing a motor vehicle from a residential complex; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law imposes certain conditions on the towing of a motor vehicle from a residential complex when the towing is requested by a person other than the owner of the motor vehicle. Those conditions require that the owner of the real property, or an authorized agent of the owner: (1) may only have a vehicle towed for a parking violation, for an issue related to the health, safety or welfare of the residents of the complex or because the vehicle is unregistered or the registration on the vehicle is expired; and (2) may not have a vehicle towed until 48 hours after affixing a notice to the vehicle which explains when the vehicle is to be towed, unless the tow is requested for an issue related to the health, safety or welfare of the residents of the complex. (NRS 706.4477) Existing law makes a violation of any of these provisions a misdemeanor. (NRS 706.756)

Section 1 of this bill allows the tow operator to affix the notice as the authorized agent of the owner of the property if they have entered into an agreement for that purpose. In addition, **section 1** provides some exceptions to the requirement to provide notice and allows a vehicle to be towed immediately when a notice was previously affixed to the vehicle: (1) for the same or a similar reason within the residential complex; or (2) three or more times for any reason during the immediately preceding 6 months, regardless of whether the vehicle was subsequently towed.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 706.4477 is hereby amended to read as follows:
