AN ACT relating to public safety; revising provisions relating to the imposition of a surcharge which may be collected and used for the enhancement of the telephone system for reporting an emergency; providing that such a surcharge may also be used for the purpose of paying costs for personnel and training associated with portable event recording devices and vehicular event recording devices; requiring a recipient of money collected from the surcharge to repay or return that money under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain peace officers to wear a portable event recording device while on duty. (NRS 289.830) Existing law authorizes: (1) all counties in this State to impose a surcharge to be used for the enhancement of the telephone system for reporting an emergency in the county; and (2) the surcharge to be used for the purpose of purchasing and maintaining portable event recording devices and vehicular event recording devices. (NRS 244A.7643, 244A.7645) **Section 1** of this bill authorizes the surcharge to also be used for personnel and training associated with: (1) maintaining, updating and operating the equipment, hardware and software of portable event recording devices and vehicular event recording devices; and (2) the maintenance, retention and redaction of audio and video events recorded on portable event recording devices and vehicular event recording devices.

Section 1 also requires a recipient to: (1) return money not used within 6 months for an approved purpose; (2) repay any money that is not used for an approved purpose; and (3) repay any amount to which the recipient was not entitled to receive.
