AN ACT relating to medical conditions; creating the Advisory Task Force on HIV
Exposure ~~[Criminalization]~~ **Modernization**; setting forth the duties of
the Task Force; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill creates the Advisory Task Force on HIV Exposure ~~[Criminalization]~~
Modernization appointed by the Governor. This bill requires the Task Force to conduct a
comprehensive examination during the 2019-2020 legislative interim of the statutes and
regulations in this State related to the criminalization of exposing a person to the human
immunodeficiency virus (HIV). This bill requires the Task Force to submit a report of its
findings and recommendations to the Governor and the Legislative Counsel Bureau not later
than September 1, 2020.

WHEREAS, Multiple peer-reviewed studies demonstrate that human
immunodeficiency virus-specific laws do not reduce risk-taking behavior or
increase disclosure by people living with or at risk of contracting the human
immunodeficiency virus (HIV), and there is increasing evidence that these laws
reduce the willingness to get tested; and

WHEREAS, Antiretroviral medications can reduce the human immunodeficiency
virus to undetectable levels and reduce the risk of transmitting HIV to near zero;
and

WHEREAS, Nevada has implemented multiple statutes that impose penalties on
people with HIV who know their HIV status and potentially expose others to HIV;
now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

law, or are likely to be affected by any law or policy recommended by the Task
Force.

7. The Department of Health and Human Services shall provide the Task
Force with such staff as is necessary for the Task Force to carry out its duties
pursuant to this section.
