AN ACT relating to animals; revising provisions relating to an animal impounded by a county, ~~agency or facility~~ **city or other local government** under certain circumstances; providing for a hearing to determine whether a person is the owner of an animal and whether the person is **fit and** able to provide adequate care and shelter for that animal; requiring and authorizing a court to issue certain orders after such a hearing; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law provides that if a person is lawfully arrested and detained in a county for more than 7 days, and if the county impounds any animal owned or possessed by the person, the county must: (1) notify the person of the impoundment and request that the person provide to the county the name of any person who is authorized to care for the animal; (2) transfer, under certain circumstances, the animal to the person who is so authorized; and (3) if there is no such person, allow another person to care for the animal temporarily and, with the consent of the person who is arrested and detained, adopt the animal. Existing law also authorizes the county to bring an appropriate legal action to recover the reasonable cost of care and shelter of the animal under certain circumstances. (NRS 171.1539) **Section 1** of this bill provides that if a person is lawfully arrested and detained in a county, **city or other local government**, other than for a violation of certain acts which constitute engaging in cruelty to animals, and the county impounds any animal owned or possessed by the person, the county may, within ~~15~~ **10** days after the arrest: (1) ~~follow the person to pay in advance for the care and shelter of the animal based on increments of 30 days;~~ (2) ~~if the person is homeless and makes a request, provide not less than 30 days of care and shelter to the animal;~~ (3) ~~allow another person who is able to provide adequate care and shelter to care for the animal temporarily; or~~ ~~(4)~~ **(2)** take possession of the animal. **Section 1** also requires the ~~county to provide~~ **State to create and maintain** a written notice ~~directly to the person or post such notice in a conspicuous place in each detention facility~~ which: (1) informs the person that an animal owned or possessed by the person may have been impounded; (2) provides the ~~telephone number of the county, facility or agency~~ **current contact information of an animal shelter in each county, city or other local government** responsible for impounding the animal; ~~and~~ (3) is made available in certain languages ~~1-1~~ **; (4) is provided to each county or city jail or detention**

facility; and (5) must be posted in a conspicuous place in each county or city jail or detention facility.

Existing law requires a peace officer or animal control officer to take possession of an animal being treated cruelly. Existing law also requires an officer to provide certain notices to the owner of an animal of which the officer took possession. Existing law authorizes such an officer to impose a lien on the animal for the reasonable cost of care and shelter of the animal. (NRS 574.055) Sections 3-9 of this bill establish provisions relating to an animal impounded incident to the lawful arrest ~~and detainment~~ of a person in violation of provisions relating to an act which constitutes cruelty to animals. Section 7 of this bill ~~authorizes~~ requires a prosecutor to provide notice to such a person of his or her right to request a hearing within ~~15~~ 2 days after the arrest ~~and detainment~~ to determine whether the person is the owner of the animal and whether the person is able or fit to provide adequate care and shelter to the animal. Section 7 requires the court hold such a hearing within 15 judicial days after receiving notice of the request. Section 8 of this bill requires the court to order, under certain circumstances, ~~[(1) the person detained to pay certain costs for the care and shelter of the animal or to take possession of the animal; or (2)]~~ another person to take possession of the animal. If the court determines that the person detained is not the owner of the animal or is not able or fit to provide adequate care and shelter of the animal, section 8: (1) requires the court to order the person not to own or possess the animal and to order the transfer of the animal; and (2) authorizes the court to order the impoundment of certain other animals or enjoin the person from owning or possessing other animals. Section 9 of this bill authorizes: (1) the county, ~~agency or facility~~ city or other local government or animal shelter to bring an appropriate legal action to recover the reasonable cost of the shelter and care of the animal; and (2) the court to order a later and separate hearing for such an action.
