**Legislative Counsel's Digest:**

On March 12, 2018, Governor Sandoval signed Executive Order 2018-4, "Implementation of Nevada's Statewide Resilience Strategy." Executive Order 2018-4 required the Co-Chairs of the Homeland Security Working Group of the Nevada Commission on Homeland Security to develop a statewide 5-year resilience strategy to be considered by the Commission. The Order additionally required the Co-Chairs of the Homeland Security Working Group to provide recommendations through the resilience strategy for: (1) streamlining the commissions, boards and committees which advise the Division of Emergency Management of the Department of Public Safety; (2) streamlining grant processes to sustain the emergency management and homeland security capacity of Nevada; and (3) incentives for local partners to participate in resilience models, among other requirements.

These requirements were addressed in the Statewide Resilience Strategy, published on July 1, 2018. The Statewide Resilience Strategy made recommendations that this State establish a public body in statute that: (1) consolidates several existing boards and commissions relating to emergency management; (2) coordinates grants and other efforts with respect to resilience programs; (3) may establish subordinate public bodies; and (4) provides an annual report to the Nevada Commission on Homeland Security.

**Section 2** of this bill creates the Nevada Resilience Advisory Committee. **Section 2** provides that: (1) with the approval of the Director of the Department of Public Safety, the Chief of the Division shall appoint not more than 34 voting members to the Committee; (2) with the approval of the Director of the Department of Public Safety, the Chief of the Division or his or her designee serves as the Chair of the Committee; and (3) each appointed voting member of the Committee, other than the Chair, serves a term of 2 years ~~and may be~~ reappointed.

**Sections 3-10** of this bill provide various requirements and duties of the Nevada Resilience Advisory Committee. **Section 3** of this bill requires the Committee to hold a meeting at least once a month. **Section 4** of this bill authorizes the Committee to hold a closed meeting for sensitive issues relating to emergency management or homeland security, as determined by the Committee. **Sections 11 and 12** of this bill make conforming changes. **Section 5** of this bill provides that a member of the Committee or any subcommittee formed pursuant to **section 7** of this bill is not compensated for his or her services as a member of the Committee or the subcommittee. **Section 5** further provides that a member of the Committee or subcommittee who is a public employee must: (1) be granted administrative leave from his or her duties to engage in the business of the Committee or subcommittee; and (2) receive the per diem allowance and travel expenses provided for state officers and employees generally from the state agency or political subdivision which employs him or her.

**Section 6** of this bill sets forth the duties of the Nevada Resilience Advisory Committee, including requiring the Committee to: (1) annually develop state resilience goals and related objectives for the Committee; (2) review and make recommendations concerning certain grants and the coordination of statewide mitigation, preparedness, response and recovery efforts; and (3) develop an annual report. **Section 10** of this bill provides that this annual report must include activities, any assessments of programs and processes and any recommendations based on activities and assessments of the Committee during the preceding calendar year. **Section 10** additionally requires that this annual report be submitted to the Nevada Commission on Homeland Security, the Governor and the Director of the Legislative Counsel Bureau. **Section 7** authorizes the Committee to appoint any subcommittee that is deemed necessary by the Committee. **Section 7** requires such subcommittees to have a specific objective and operate for not more than 6 months, unless an extension is approved by the Committee. **Section 8** of this bill requires the Chief of the Division to provide staff to assist in carrying out the duties of the Committee. **Section 9** of this bill authorizes the Committee to apply for and receive gifts, grants, contributions or other money from various entities to carry out the provisions of this bill.

Any such copies, abstracts or memoranda may be used to supply the general public with copies, abstracts or memoranda of the records or may be used in any other way to the advantage of the governmental entity or of the general public. This section does not supersede or in any manner affect the federal laws governing copyrights or enlarge, diminish or affect in any other manner the rights of a person in any written book or record which is copyrighted pursuant to federal law.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate the confidential information from the information included in the public book or record that is not otherwise confidential.

4. A person may request a copy of a public record in any medium in which the public record is readily available. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:
