AN ACT relating to gaming; revising provisions governing the financial support for programs for the prevention and treatment of problem gambling; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law creates the Revolving Account to Support Programs for the Prevention and Treatment of Problem Gambling. The Director of the Department of Health and Human Services administers the Account and is authorized to use the money in the Account to award grants of money or contracts for services to providers of programs for the prevention and treatment of problem gambling and for other related services. (NRS 458A.090) Under existing law, the Nevada Gaming Commission is required to deposit quarterly into the Revolving Account an amount that is equal to \$2 for each slot machine on which the Commission collects certain gaming license fees. (NRS 463.320) This bill ~~requires instead that the Nevada Gaming Commission deposit monthly in the Revolving Account an amount that is equal to 0.6 percent of the money collected by the Commission from the fee imposed on state gaming licensees based on their gross revenue.~~ ***eliminates that requirement.***

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 463.320 is hereby amended to read as follows:

463.320 1. All gaming license fees imposed by the provisions of NRS 463.370, 463.373 to 463.383, inclusive, and 463.3855 must be collected and disposed of as provided in this section.

2. All state gaming license fees and penalties must be collected by the Commission and paid over immediately to the State Treasurer to be disposed of as follows:

1 (a) Except as otherwise provided in paragraphs (c) ~~H~~ and (d), ~~and (e)~~, all  
2 state gaming license fees and penalties other than the license fees imposed by the  
3 provisions of NRS 463.380 must be deposited for credit to the State General Fund.

4 (b) All state gaming license fees imposed by the provisions of NRS 463.380  
5 must, after deduction of costs of administration and collection, be divided equally  
6 among the various counties and transmitted to the respective county treasurers.  
7 Such fees, except as otherwise provided in this section, must be deposited by the  
8 county treasurer in the county general fund and be expended for county purposes. If  
9 the board of county commissioners desires to apportion and allocate all or a portion  
10 of such fees to one or more cities or towns within the county, the board of county  
11 commissioners shall, annually, before the preparation of the city or town budget or  
12 budgets as required by chapter 354 of NRS, adopt a resolution so apportioning and  
13 allocating a percentage of such fees anticipated to be received during the coming  
14 fiscal year to such city or cities or town or towns for the next fiscal year  
15 commencing July 1. After the adoption of the resolution, the percentage so

17 city or town budget or budgets as an estimated receipt for the next fiscal year.  
18 Quarterly, upon receipt of the money from the State, the county treasurer shall  
19 deposit an amount of money equal to the percentage so apportioned and allocated to

22 expended for county purposes.

27 collection, be allocated pro rata among the counties in this State whose population  
28 is less than 100,000 in which on-track pari-mutuel wagering is conducted. The  
29 allocation must be based upon the amounts paid from each such county pursuant to  
30 subsection 2 of NRS 466.125 and transmitted to the respective county treasurers.  
31 Money received by a county treasurer pursuant to this paragraph must be deposited  
32 in the county general fund and expended to augment any stakes, purses or rewards  
33 which are offered with respect to horse races conducted in that county by a state  
34 fair association, agricultural society or county fair and recreation board.

35 (d) Ten percent of the amount of the license fee imposed by the provisions of  
36 NRS 463.370 that is paid pursuant to subsection 2 of NRS 464.045 by persons  
37 licensed to conduct off-track pari-mutuel wagering which exceeds \$5,036,938 per  
38 calendar year must, after the deduction of costs of administration and collection, be  
39 allocated pro rata among the counties in this State whose population is less than

43 provided in this paragraph. On March 1 of each year, the Board shall calculate the  
44 amount of money to be allocated to the respective county treasurers and notify the  
45 State Treasurer of the appropriate amount of each allocation. The State Treasurer  
46 shall transfer the money to the respective county treasurers. Money received by a  
47 county treasurer pursuant to this paragraph must be deposited in the county general
