AN ACT relating to community colleges; authorizing community colleges in the Nevada System of Higher Education to award a scholarship to certain students who are enrolled in such colleges; establishing certain requirements to be eligible to receive such a scholarship; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Nevada Promise Scholarship Program to award scholarships to graduating high school students to attend community colleges in this State (NRS 396.961-396.9685) This bill similarly establishes the Nevada Reconnect Scholarship Program for adults to attend community colleges in this State. **Section 10** of this bill requires each community college in the Nevada System of Higher Education to determine whether it will participate in the Nevada Reconnect Scholarship Program. **Section 9** of this bill establishes the Nevada Reconnect Scholarship Account in the State General Fund to pay for the scholarships.

Sections 10 and 11 of this bill require a participating community college to perform certain duties, including holding introductory meetings for scholarship applicants and establishing a mentoring program, or to enter into an agreement with a nonprofit organization or governmental entity to perform those duties. **Section 12** of this bill sets forth the requirements to serve as a volunteer mentor in such a mentoring program. **Sections 13 and 14** of this bill set forth the requirements for a student to be eligible to receive or renew a Nevada Reconnect Scholarship. The requirements to receive or renew a scholarship include a requirement that an applicant complete community service. **Section 15** of this bill: (1) provides that an applicant who knowingly submits false information to a participating community

college is ineligible to receive a scholarship; and (2) prescribes additional requirements governing deadlines and community service.

Section 16 of this bill prescribes: (1) the process for determining the eligibility of scholarship applicants and awarding scholarships; and (2) the amount of a scholarship for a recipient. If there is insufficient money available to award a full scholarship to all eligible students, **section 16** sets forth the manner in which money in the Account will be disbursed. **Section 17** of this bill requires the Board of Regents to annually review all scholarships awarded for the previous year and report certain information to the Legislature. **Section 17** also: (1) requires a participating community college to maintain certain records; and (2) authorizes the Board of Regents and the State Treasurer to audit a participating community college or a nonprofit organization or governmental entity with which a participating community college has entered into an agreement to carry out certain duties relating to the scholarship program. **Section 19** of this bill makes an appropriation for the purpose of awarding Nevada Reconnect Scholarships.
