Legislative Counsel's Digest:

Sections 2-38 of this bill establish provisions relating to transactions in which a person provides a consumer who has a pending legal claim in this State with money and the consumer assigns to that person the right to receive an amount of the potential proceeds of a settlement, judgment, award or verdict obtained as a result of the legal action of the consumer. **Section 10** of this bill designates this type of transaction as a “consumer litigation funding transaction.” **Section 8** of this bill designates the provider of money to a consumer in such a transaction as a “consumer litigation funding company.”

Sections 18 and 19 of this bill generally require a contract to enter into a consumer litigation funding transaction to meet certain requirements and contain certain disclosures relating to the amount of fees the consumer will be charged and the rights of the consumer with regard to the consumer litigation funding transaction.

Section 20 of this bill prohibits a consumer litigation funding company from: (1) paying or accepting certain referral fees or commissions; (2) referring a consumer to engage certain professionals; (3) advertising false information; (4) entering into a consumer litigation funding transaction with a consumer who has already received money from another company, with certain exceptions; (5) making

decisions with regard to the legal claim of the consumer; and (6) paying certain legal fees of the consumer with money from the consumer funding transaction.

Section 21 of this bill requires the amount the consumer is required to pay the consumer litigation funding company in exchange for the money received by the consumer to be set as a predetermined amount. **Section 21** prohibits a company from charging fees that exceed 40 percent of the amount provided to the consumer in a 12-month period.

Section 25 of this bill prohibits a person from engaging in business as a consumer litigation funding company without a license issued by the Commissioner of Financial Institutions. **Sections 26-32** of this bill set forth the application process to obtain such a license and set forth certain requirements an applicant must meet.

Sections 35 and 36 of this bill require a person who has obtained a license to engage in business as a consumer litigation funding company to maintain assets of at least \$50,000 and to keep certain records. **Section 38** of this bill requires each licensee to submit to the Commissioner an annual report with certain information regarding the activities of the licensee in the preceding year and to make the information contained in the report available to the public not later than 1 year after the report is submitted.
