AN ACT relating to marijuana; providing for the vacating of certain judgments of conviction and sealing of certain records relating to marijuana; revising provisions relating to prohibited acts concerning the use of marijuana and the operation of a vehicle or vessel; prohibiting the denial of employment because of the presence of marijuana in a screening test taken by a prospective employee; prohibiting an employer from requesting an employee take a screening test to detect the presence of marijuana without probable cause to believe the employee is under the influence of marijuana; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a court to grant a motion to vacate a judgment of conviction in certain circumstances. (NRS 176.515, 179.247) Existing law also establishes a process for sealing certain records of criminal proceedings. (NRS 179.2405-179.301) With certain limited exceptions, if the court orders a person's record of criminal history sealed, all proceedings recounted in the record are deemed never to have occurred. (NRS 179.285) **Section 2** of this bill provides that if a person is convicted of a misdemeanor for certain offenses involving marijuana and the act constituting the offense is a lawful act in this State on or after January 1, 2017, the person may petition the court to vacate the judgment and seal all documents relating to the case. **Section 2** establishes the circumstances in which the court is required or authorized to grant such a petition. **Section 3** of this bill authorizes a district attorney to petition a court to vacate a judgment and seal all documents related to a case on behalf of a person convicted of an offense described in **section 2** or on behalf of a group of similarly situated persons. **Section 3** requires a district attorney to provide certain notice at least 30 days before filing such a petition.

Existing law provides that it is unlawful for any person to drive or be in actual physical control of a vehicle on a highway or on premises to which the public has access if the person: (1) is under the influence of a controlled substance; or (2) has an amount of marijuana or marijuana metabolite in his or her blood that is equal to or greater than 2 nanograms per milliliter or 5 nanograms per milliliter, respectively. (NRS 484C.110) Existing law defines "under the influence" as impaired to a degree that renders a person incapable of safely driving or exercising actual physical control of a vehicle. (NRS 484C.105) **Section 12** of this bill eliminates provisions making it unlawful for a person to drive, operate or be in actual physical control of a vehicle or vessel with specified amounts of marijuana or marijuana metabolite in his or her blood, and instead creates a rebuttable presumption that a person with an amount of marijuana or marijuana metabolite in his or her blood that is equal to or greater than 5 nanograms per milliliter is under the influence of a controlled substance for the purposes of existing law. **Sections 13 and 16** of this bill make the same changes to similar provisions of existing law relating to a person driving or being in actual physical control of a commercial motor vehicle on a highway or on premises to which the public has access or operating or being in actual physical control of a vessel under power or sail on the waters of this State, respectively. **Sections 14, 15, 17 and 18** of this bill make conforming changes.

Existing law establishes various unlawful employment practices. (Chapter 613 of NRS) **Section 19** of this bill prohibits an employer from denying employment to a prospective employee because the prospective employee has submitted to a drug screening test and the test indicates the presence of marijuana. **Section 19** further prohibits an employer from requesting an employee take a screening test to detect the presence of marijuana unless the employer has probable cause to believe that the employee is under the influence of marijuana. **Sections 10 and 11** of this bill revise provisions related to screening testing of state employees to conform to these changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 179 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. If a person has been convicted of a misdemeanor for the possession of 1 ounce or less of marijuana in violation of subsection 4 of NRS 453.336 or for a violation of any other provision of law concerning an offense involving marijuana, if the act constituting such an offense is a lawful act in this State on or after January 1, 2017, the person may petition the court in which he or she was convicted or, if the person wishes to file more than one petition and would otherwise need to file a petition in more than one court, the district court, for an order:***

(a) Vacating the judgment; and

(b) Sealing all documents, papers and exhibits in the record of the person, minute book entries and entries on dockets and other documents relating to the case in the custody of such other agencies and officers as are named in the order of the court.

2. A petition filed pursuant to subsection 1 must satisfy the requirements of NRS 179.245.

3. Except as otherwise provided in subsection 6, the court:

(b) Except as otherwise provided in paragraph (a), may grant a petition filed pursuant to subsection 1 if the judgment is a misdemeanor conviction for a violation of any provision of law concerning an offense involving marijuana and the act constituting the offense is a lawful act in this State on or after January 1, 2017.

6. If a petition filed pursuant to subsection 1 does not satisfy the requirements of NRS 179.245 or the court determines that the petition is otherwise deficient with respect to the sealing of the record of the petitioner, the court may enter an order to vacate the judgment and dismiss the accusatory pleading if the petitioner satisfies all requirements necessary for the judgment to be vacated.

7. If the court enters an order pursuant to subsection 6, the court shall also order sealed the records of the petitioner which relate to the judgment being vacated in accordance with paragraph (b) of subsection 5, regardless of whether any records relating to other convictions are ineligible for sealing, either by operation of law or because of a deficiency in the petition.

Sec. 3. ***1. A district attorney may, on behalf a person described in subsection 1 of section 2 of this act or on behalf of a group of similarly situated persons, petition the court in which the person was convicted or, if filing a petition on behalf of a group of persons, the district court, for an order:***

(b) Sealing all documents, papers and exhibits in the record or records of the person or persons, minute book entries and entries on dockets and other documents relating to the case or cases in the custody of such other agencies and officers as are named in the order of the court.

2. The provisions of section 2 of this act, except subsection 4 of that section, apply to a petition filed pursuant to subsection 1.

3. A district attorney shall provide to each person on whose behalf the district attorney intends to petition a court pursuant to subsection 1 written notice of his or her intention at least 30 days before filing such a petition.

4. A person may submit to a district attorney a request that the district attorney refrain from filing a petition pursuant to subsection 1 on his or her behalf. If a person submits such a request, a district attorney shall not file a petition pursuant to subsection 1 on behalf of that person.

A defendant who intends to offer this

defense at a trial or preliminary hearing must, not less than 14 days before the trial or hearing or at such other time as the court may direct, file and serve on the prosecuting attorney a written notice of that intent.
