Legislative Counsel's Digest:

Existing law makes it unlawful for a person to harass any game mammals or game birds using an aircraft. (NRS 503.010) Similarly, existing law: (1) prohibits a person from intentionally killing or aiding and abetting another person in killing a big game mammal through the use of an aircraft; and (2) provides that any gun, ammunition, trap, snare, vessel, vehicle, aircraft or other device or equipment used or intended for use to hunt or kill a big game mammal by using information obtained by any aircraft is subject to forfeiture. (NRS 501.376, 501.3857) **Sections 1-3** of this bill clarify that, as used in those provisions of existing law, the word "aircraft" includes a manned or unmanned aircraft, such as an unmanned aerial vehicle.
