Legislative Counsel's Digest:

- 1 Existing law entitles a Legislator to receive an allowance for the payment of
- 2 tolls and charges for telephone service incurred in the performance of official
- 3 business during each regular and special Legislative Session. (NRS 218A.645,
- 4 218A.665) **Sections 1 and 3** of this bill remove the expenses incurred by a
- 5 Legislator for tolls and charges for land line telephone service from such an
- 6 allowance and require these expenses to be paid from the Legislative Fund.
- 7 Additionally, **sections 1 and 2** of this bill eliminate the requirement in existing law
- 8 of the consideration of the availability of state-owned automobiles in determining

the allowance a Legislator is entitled to receive for expenses incurred for travel under certain circumstances. (NRS 218A.645, 218A.655)

Existing law requires the submission of reports to the Legislature or the Legislative Counsel Bureau to be in electronic format, if practicable. (NRS 218A.750) **Section 4** of this bill authorizes the Legislative Commission to provide by regulation for additional requirements for the submission of such reports.

Under existing law, a legislative committee or subcommittee established to conduct a study or investigation assigned to the Legislative Commission is required to meet not earlier than January 1 of the even-numbered year and not later than June 30 of that year, unless otherwise ordered by the Legislative Commission. (NRS 218E.205) **Section 5** of this bill changes the earliest date for such a committee or subcommittee to meet to November 1 of the odd-numbered year. Existing law also requires certain legislative committees created in existing law to meet not earlier than November 1 of each odd-numbered year. (NRS 218E.515, 218E.560, 218E.610, 218E.710, 218E.755, 218E.810, 439B.210, 459.0085) **Sections 6-11, 13 and 14** of this bill change the earliest date for these legislative committees to meet to September 1 of each odd-numbered year.

Existing law requires the Legislative Commission to prescribe regulations for the collection of information relating to the operation of the offices of district attorneys and public defenders in this State. (NRS 218E.300, 218E.305) **Section 15** of this bill eliminates this requirement and **section 12** of this bill makes a conforming change.

Existing law reserves for the supervision and control of the Legislature certain parcels of land in Carson City, generally located in and around the Legislative Building. (NRS 331.135) **Section 12.5** of this bill makes technical revisions to the description of one such parcel of land.
