AN ACT relating to state financial administration; providing for the retention and use of certain unobligated balances remaining at the end of a fiscal year by a state agency within the Executive Department of the State Government; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Under existing law, with certain exceptions, any balance that is remaining at
2 the end of a fiscal year in a budget account of a state agency reverts to the source of
3 funding that supports the state agency. (NRS 353.253) With certain exceptions, this
4 bill provides for the nonreversion and retention by an agency of the Executive
5 Department of the State Government of 50 percent of the remaining balances of
6 appropriations made from the State General Fund or the State Highway Fund for
7 the operation of the state agency that are not obligated for expenditure on or before
8 the end of the fiscal year. This bill authorizes such a state agency to use that
9 retained money for any purpose within the responsibilities of the state agency.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
