7. The Commission shall meet at least once each calendar year and, after its first meeting, at the call of the Chair.

8. The Department shall provide any administrative support necessary for the Commission to carry out its duties.

Sec. 4. 1. The Commission shall develop a statewide vision and implementation plan to improve the public education system in this State. The Commission shall:

(a) Conduct a benchmarking or gap analysis study comparing the education policies of this State to the education policies of high performing international and domestic education systems.

(b) Make recommendations on how to adapt the appropriate education policies of high performing international and domestic education systems into the public education system in this State.

(c) Identify objectives to put the educational performance of pupils in this State in parity with that of pupils in high performing international and domestic education systems and make recommendations on how to meet the identified objectives.

1 (d) Review the findings of any previous or ongoing studies
2 related to the funding of education and incorporate any relevant
3 findings.

4 (e) Develop an implementation plan for the recommendations
5 made pursuant to this section which includes an analysis of the
6 costs of the plan.

7 2. The Commission may employ and contract with the
8 National Center on Education and the Economy or an
9 organization with similar expertise and qualifications to carry out
10 any of its functions pursuant to this section.

11 **Sec. 5.** This act becomes effective upon passage and approval
12 for the purposes of appointing members to the Commission on
13 Innovation and Excellence in Education created by section 3 of this
14 act and performing any other administrative tasks that are necessary
15 to carry out the provisions of this act, and on July 1, 2019, for all
16 other purposes.
