VETOED BILL PROCESS

After a bill passes both houses of the Legislature, it is presented to the Governor for approval. Three options are available to the Governor: (1) sign the bill; (2) veto the bill; or (3) allow the bill to become law without his signature. The Governor has five days to sign or veto a bill that is presented to him more than five days before the end of the legislative session. When the Governor receives a bill five or fewer days before the session ends, he has ten days after the session adjourns *sine die* to take action on the bill. If the Governor fails to sign or veto a bill within the time allowed under the *Nevada Constitution*, the bill becomes law without his signature. Sundays and the date of delivery are not counted when calculating the time allotted to the Governor for action.

For a vetoed bill to become law, two-thirds of the members elected to each house must vote to override the Governor's veto. When the Governor vetoes a bill, the bill is returned to the house of origin along with the Governor's veto message or statement. If the house of origin sustains the Governor's veto, the bill dies. However, if the house of origin does not sustain the Governor's veto, or overrides the veto, the bill is then sent to the second house for reconsideration. If the second house sustains the Governor's veto, the bill dies; if it overrides the Governor's veto, the bill becomes law. When a veto is overridden by both houses and the effective date is not specified in the measure, the bill becomes effective on the date the second house votes to override the Governor's veto.

Vetoed Assembly Bills Nos. 175, 206, 259, 303, 348, 374, 376, 382, 403, 407, and 408 of the 79th (2017) Legislature were returned for reconsideration by the 2019 Legislature. The bills were read and, upon motion duly carried by the body, placed on the Chief Clerk's desk; no further action was taken on these bills.

Assembly Bill No. 186 was vetoed by Governor Sisolak during the 2019 Legislative Session. The bill was read and, upon motion duly carried by the body, placed on the Chief Clerk's desk; no further action was taken on the bill.

Governor Sisolak also vetoed Assembly Bill No. 444 after the 2019 Legislative Session adjourned *sine die* on June 3, 2019. The bill will be returned to the 2021 Legislature for reconsideration.

JOINT STANDING RULE NO. 14.3 OF THE SENATE AND ASSEMBLY

The Joint Standing Rules of the Senate and Assembly (Assembly Concurrent Resolution No. 1 [File No. 1, *Statutes of Nevada 2019*]) were adopted by both houses of the Nevada State Legislature on February 4, 2019.

Unless a deadline was waived by the Speaker of the Assembly and the Majority Leader of the Senate pursuant to Rule No. 14.5 of the Joint Standing Rules, no further legislative action was allowed on a bill or joint resolution that failed to meet the established deadlines toward passage and enactment. The histories of Assembly and Senate bills and joint resolutions that did not meet the required deadlines cite the specific portion of Rule No. 14.3 relevant to the measure. Assembly and Senate bills and joint resolutions that were granted waivers contain the history statement “waiver granted” along with the effective date of the waiver.

SCHEDULE FOR ENACTMENT OF BILLS

Rule No. 14.3 Final Dates for Action by Standing Committees and Houses.

Except as otherwise provided in Joint Standing Rules Nos. 14.4, 14.5 and 14.6:

1. The final standing committee to which a bill or joint resolution is referred in its House of origin may only take action on the bill or joint resolution on or before the 68th calendar day of the legislative session. A bill may be rereferred after that date only to the Senate Committee on Finance or the Assembly Committee on Ways and Means and only if the bill is exempt pursuant to subsection 1 of Joint Standing Rule No. 14.6.

2. Final action on a bill or joint resolution may only be taken by the House of origin on or before the 79th calendar day of the legislative session.

3. The final standing committee to which a bill or joint resolution is referred in the second House may only take action on the bill or joint resolution on or before the 103rd calendar day of the legislative session. A bill may be rereferred after that date only to the Senate Committee on Finance or the Assembly Committee on Ways and Means and only if the bill is exempt pursuant to subsection 1 of Joint Standing Rule No. 14.6.

4. Final action on a bill or joint resolution may only be taken by the second House on or before the 110th calendar day of the legislative session.

[Assembly Concurrent Resolution No. 1 (File No. 1, *Statutes of Nevada 2019*)]

FISCAL NOTES

Nevada Revised Statutes 218D.430 provides that fiscal notes are required on original bills and joint resolutions. Whenever an amendment is adopted that affects a bill or joint resolution in such a way that the fiscal note ceases to be valid, the presiding officer, at his or her discretion, can direct the Fiscal Analysis Division of the Legislative Counsel Bureau to obtain a new fiscal note showing the effect of the bill or joint resolution as amended. Not all fiscal notes are updated when an amendment invalidates the note.

VOTE REQUIREMENTS

Article 4, section 18 of the *Nevada Constitution* requires an affirmative vote of no fewer than two-thirds of the members elected to each house to pass a bill or joint resolution which creates, generates, or increases any public revenue in any form, including but not limited to taxes, fees, assessments, and rates, or changes in the computation bases for taxes, fees, assessments, and rates. Passage of all other measures requires a majority vote of all the members elected to each house.

EFFECTIVE DATES

Occasionally a bill is introduced on behalf of the Legislative Counsel that proposes technical corrections to the *Statutes of Nevada* and the *Nevada Revised Statutes*. In some instances, technical corrections change the effective date of a measure passed by a previous Legislature. See, for example, sections 6, 7, 20, 26, and 27 of Assembly Bill No. 499 (Chapter 553, *Statutes of Nevada 2013*), which change the effective dates of several bills enacted by the 2011 Nevada Legislature. The Assembly does not reprint final histories to reflect changes to effective dates that are made by a subsequent Legislature.

The effective date of a bill passed by the Legislature and signed by the Governor may be changed by a separate bill enacted later in the same session.
