EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to education; requiring the board of trustees of a school district and the governing bodies of certain charter and private schools to provide support and assistance to certain pupils and their parents and guardians in completing the Free Application for Federal Student Aid; requiring the board of trustees of a school district and the governing bodies of certain charter and private schools to report certain information to the State Treasurer; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing federal law establishes the Free Application for Federal Student Aid to determine the need and eligibility of students for financial assistance to receive postsecondary education. (20 U.S.C. § 1090) **Section 1** of this bill requires the board of trustees of a school district and the governing body of a charter school that operates as a high school to: (1) educate pupils on the importance of financial planning and completing the Free Application for Federal Student Aid; (2) hold at least two annual events for pupils enrolled in grade 12 in a public school in this State and their parents and guardians at which the pupils and their parents and guardians may complete the Free Application for Federal Student Aid; and (3) coordinate with a community college, state college or university to ensure pupils and their families receive support in completing the Free Application for Federal Student Aid. **Section 1** also requires the board of trustees of a school district and the governing body of a charter school to report to the State Treasurer: (1) the number of pupils who attended an event; (2) the number of pupils who did not attend an event but otherwise received assistance in completing the Free Application for Federal Student Aid from the school district or charter school; (3)

the number of pupils who completed the Free Application for Federal Student Aid; (4) if known, the number of pupils who were offered financial aid; (5) if known, the number of pupils who accepted financial aid; and (6) if known, the type and amount of financial aid offered to or accepted by a pupil. **Section 2** of this bill imposes similar requirements on the governing body of a private school that operates as a high school.
