

Assembly Bill No. 320—Assemblyman Leavitt

Joint Sponsor: Senator Hardy

CHAPTER.....

AN ACT relating to off-highway vehicles; revising provisions governing the operation of certain large all-terrain vehicles on certain streets and highways; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires each board of county highway commissioners to lay out and designate roads as main, general or minor county roads. (NRS 403.170) Existing law defines a "large all-terrain vehicle" as any all-terrain vehicle that includes seating capacity for at least two people abreast and: (1) total seating capacity for at least four people; or (2) a truck bed. (NRS 490.043) Under existing law, a person may operate a large all-terrain vehicle on any portion of a highway designated as a general county road or minor county road if the large all-terrain vehicle: (1) has the equipment required for operation on a highway; and (2) is registered with the Department of Motor Vehicles as a motor vehicle intended to be operated upon the highways of this State. Existing law also provides that the governing body of a city or county which contains all or a portion of a highway designated as a general county road or a minor county road may prohibit the operation of a large all-terrain vehicle on any portion of such a road. (NRS 490.105)

This bill authorizes a person to operate a large all-terrain vehicle on a city street within a city whose population is less than 25,000 (currently all cities except Carson City, Henderson, Las Vegas, North Las Vegas, Reno and Sparks) or on a portion of a highway that has been designated as a main county road if: (1) the large all-terrain vehicle has the equipment required for operation on a highway; (2) the large all-terrain vehicle is registered with the Department of Motor Vehicles as a motor vehicle intended to be operated upon the highways of this State; and (3) the governing body of the city or county with jurisdiction over the street or highway enacts an ordinance or resolution authorizing the operation of large all-terrain vehicles on any portion of such a street or highway.
