AN ACT relating to trade practices; providing that it is a deceptive trade practice not to provide certain translations in a language other than English of certain contracts, agreements or disclosures to certain persons; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

**Section 4** of this bill requires a business and an agent or employee of a business that advertises in a language other than English and negotiates certain transactions in a language other than English to provide a translation of the contract or agreement that results from such advertising and negotiations in the language that was used in the advertisement and negotiation to the person who is party to the contract. **Section 4** requires such translated contracts or agreements to be provided before the execution of the contract or agreement and to include every term and condition in the contract or agreement. **Section 5** of this bill provides that if the business is a financial institution that is required to provide certain disclosures to comply with the federal Consumer Leasing Act and the Truth in Lending Act, such disclosures are required to be translated into the same language as the contract or agreement. **Section 5** requires such translated disclosures to be provided before the execution of the contract or agreement. **Section 8** provides that certain words, expressions and numerals are not required to be translated. **Section 9** of this bill authorizes a person who is aggrieved by a party that fails to comply with the provisions of **sections 3-9** of this bill to rescind the contract or agreement.

Existing law provides that a variety of actions constitute deceptive trade practices. (NRS 118A.275, 205.377, 228.620, 370.695, 597.997, 603.170, 604B.910, 676A.770; chapter 598 of NRS) Existing law provides that evidence which shows that a person has engaged in a deceptive trade practice is prima facie evidence of intent to injure competitors and to destroy or substantially lessen competition. (NRS 598.0953) Unless a fine has been previously imposed against a

person committing a deceptive trade practice by the Department of Motor Vehicles, existing law authorizes a court to impose a civil penalty of not more than \$12,500 for each violation upon a person whom the court finds has engaged in a deceptive trade practice. (NRS 598.0973) Additionally, existing law authorizes a court to make such additional orders or judgments as may be necessary to restore to any person in interest any money or property which may have been acquired by means of any deceptive trade practice. (NRS 598.0993) In addition to these mechanisms, existing law provides that when the Commissioner of Consumer Affairs or the Director of the Department of Business and Industry has cause to believe that a person has engaged or is engaging in any deceptive trade practice, the Commissioner or Director may request that the Attorney General represent him or her in instituting an appropriate legal proceeding, including an application for an injunction or temporary restraining order. (NRS 598.0979) Existing law provides that if a person violates a court order or injunction resulting from a complaint brought by the Commissioner, the Director, the district attorney of any county of this State or the Attorney General, the person is required to pay a civil penalty of not more than \$10,000 for each violation. Furthermore, if a court finds that a person has willfully engaged in a deceptive trade practice, the person who committed the violation: (1) may have to pay not more than \$5,000 for each violation; and (2) is guilty of a misdemeanor for the first offense, a gross misdemeanor for the second offense and a category D felony for the third and all subsequent offenses. (NRS 598.0999) **Section 2** of this bill provides that a person engages in a deceptive trade practice when, in the course of his or her business or occupation, he or she knowingly violates the provisions of **sections 3-9. Sections 10-22** of this bill make conforming changes to indicate the placement of **section 2** in the Nevada Revised Statutes.

Existing law provides that certain deceptive trade practices constitute consumer fraud. (NRS 41.600) Existing law additionally authorizes the Department of Motor Vehicles to impose an administrative fine of not more than \$10,000 against any person who engages in a deceptive trade practice. (NRS 482.554) Existing law provides that a person is deemed to engage in a deceptive trade practice in the business of automotive repairs if the person engages in certain deceptive trade practices that involve the repair of a motor vehicle set forth in existing law. (NRS 487.6889, 598.0915-598.0925) **Sections 20-22** of this bill include the deceptive trade practice created by **section 2** in the list of actions that qualify as deceptive trade practices.
