EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to transportation; revising provisions relating to the establishment by the Department of Transportation of a system of communication for members of the general public to report and receive certain information; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Transportation to establish along certain highways a system of communication for members of the general public to report emergencies and receive information concerning conditions for driving on those highways. (NRS 408.569) This bill makes the establishment of such a system of communication by the Department discretionary.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 408.569 is hereby amended to read as follows:
408.569 The Department ~~shall~~ *may* establish along one or more frequently traveled highways of this state a system of communication for members of the general public to report fires, accidents, motor vehicle crashes or other emergencies and to receive information concerning the conditions for driving on certain highways.

1 **Sec. 2.** This act becomes effective on July 1, 2021.
