

Assembly Bill No. 89—Assemblymen Titus and Watts

CHAPTER.....

AN ACT relating to wildlife; authorizing the Board of Wildlife Commissioners to establish a program which authorizes a person to transfer his or her tag to hunt a big game mammal to a qualified organization for use by certain persons; authorizing, under certain circumstances, a family member of a deceased big game hunter to transfer a tag to hunt a big game mammal; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, with certain exceptions, a person who hunts or fishes any wildlife in this State to obtain a license for such activities and, if he or she wishes to hunt certain designated big game mammals, to obtain an additional license, known as a tag, to do so. (NRS 502.010, 502.130) Any such tag is not transferrable unless the person to whom the tag was issued can demonstrate, in accordance with regulations adopted by the Board of Wildlife Commissioners, the existence of an extenuating circumstance which causes the person to be unable to use the tag. (NRS 502.100, 502.103)

Section 4.5 of this bill provides that the death of a big game hunter is an extenuating circumstance and authorizes the Commission to establish a process by which a family member of the deceased big game hunter may transfer the tag of the deceased big game hunter to another person.

Section 1 of this bill authorizes the Commission to adopt regulations establishing a program that allows a person to transfer his or her tag to hunt a big game mammal to an eligible qualified organization for use by a person who: (1) has a disability or life-threatening medical condition; or (2) is 16 years of age or younger and is otherwise eligible to hunt in this State. Any regulations adopted by the Commission are required to include provisions setting forth how a qualified organization may apply for eligibility to participate in such a program. **Section 4** of this bill makes conforming changes to provide that the transfer of a tag under this program is an exception to the general prohibition on the transfer of tags.

Existing law prohibits a child under the age of 12 from hunting big game mammal in this State and provides that an apprentice hunting license issued to a person 12 years of age or older does not authorize the person to hunt any animal for which a tag is required. (NRS 502.010, 502.066) **Sections 2 and 3** of this bill provide that a person under 16 years of age who participates in a program established by the Commission pursuant to **section 1** may hunt a big game mammal for which a tag is required.
