Legislative Counsel's Digest:

Existing law sets forth various provisions governing the grades and standards for the sale of eggs in this State. (NRS 583.110-583.210) **Sections ~~2-22~~ 1.3-22** of this bill ~~require that~~ *enact provisions to prohibit* an egg product or egg *from being* sold, offered for ~~sell~~ *sale* or transported for the purpose of ~~selling~~ *sale* within this State ~~that is~~ *that is* produced by an egg-laying hen that is ~~housed in a cage free housing system;~~ *confined in certain enclosures.*

6 Section 1.3 of this bill provides that the Legislature finds and declares that the
7 regulation of egg production on farms and of the sale of eggs and egg products in this
8 State is necessary to protect the health and welfare of its citizens, promote food safety
9 and advance animal welfare.

10 Section 15 of this bill prohibits, on or after July 1, 2022, a farm owner or operator in
11 this State from knowingly confining an egg-laying hen in an enclosure which has less
12 than 1 square foot of usable floor space per egg-laying hen. Section 15 prohibits, on or
13 after January 1, 2024, a farm owner or operator in this State from knowingly confining an
14 egg-laying hen in an enclosure which: (1) is not a cage-free housing system; or (2) is a cage-
15 free housing system that has insufficient usable floor space for each egg-laying hen. Section 5
16 of this bill provides that an egg-laying hen is a female chicken, turkey, duck, goose or guinea
17 fowl that is domesticated and is kept for the purpose of producing eggs commercially. Section
18 3 of this bill provides that a cage-free housing system is an enclosure for egg-laying hens
19 which is located indoors or outdoors, in which egg-laying hens are unrestricted and free to
20 roam under certain circumstances and which: (1) provides egg-laying hens enrichment that
21 allows them to exhibit natural behaviors; (2) enables farm employees to provide care while
22 standing within the usable floor space of the system; and (3) for a system located indoors,
23 allows the egg-laying hens to be unrestricted and free to roam within the system. Section 15
24 exempts certain farm owners or operators from this prohibition certain confinements of an
25 egg-laying hen if the farm owner or operator confines an egg-laying hen or has confined an
26 egg-laying hen is confined during certain activities.

27 Existing law requires a person who is an actual producer of farm products,
28 including, without limitation, eggs, to obtain a certificate as an actual producer of farm
29 products from the State Department of Agriculture. (NRS 576.128; NAC 576.300-
30 576.440) Before selling, offering or exposing for sale or transporting for sale egg products or
31 shell eggs within this State, section 16 of this bill requires a farm owner or operator to
32 obtain from the State Department of Agriculture an
33 endorsement of the certificate indicating that the egg products or shell eggs sold, offered or
34 exposed for sale or transported for sale within this State are produced by an egg-laying
35 hen which was confined in a manner that complies with section 15. Section 16 requires the
36 farm owner or operator to pay any applicable fees, as established in regulation by the State
37 Quarantine Officer, and to submit certain information to the Department to apply for a
38 certificate, such an endorsement, including evidence that the enclosure for egg-laying hens
39 has been inspected by the Department or the Department's inspector or agent, a government
40 inspector or a private inspection or process verification provider to ensure compliance.
41 Section 16 provides that a certificate an endorsement is valid for 1 year from the date of
42 its issuance, the same period as the certificate as an actual producer issued to the farm
43 owner or operator. Section 16 additionally sets forth how such a certificate an
44 endorsement may be renewed, requires that a renewal fee be paid, and authorizes the
45 Department to require an inspection of the enclosure for egg-laying hens before renewing the
46 certificate. Section 16 prohibits the Department from renewing a certificate of a farm owner
47 or operator who fails, without good cause, to submit the renewal fee to the Department within
48 a certain period of time, endorsement.

49 Section 17 of this bill authorizes the Department to deny an application for a certificate
50 an endorsement or a renewal of a certificate an endorsement or to suspend or revoke a
51 certificate an endorsement upon the following grounds: (1) the failure or refusal of a farm
52 owner or operator to comply with the provisions governing cage-free housing systems; (2) the
53 failure or refusal of a farm owner or operator to cooperate with an inspection; or (3) a farm
54 owner or operator selling, offering or exposing for sale or transporting for sale egg products or
55 shell eggs within this State without a certificate an endorsement. Section 18 of this bill
56 provides that a farm owner or operator whose certificate endorsement is denied, suspended
57 or revoked may, not later than 10 business days after such denial, suspension or revocation,
58 file a notice of appeal to the Department.

59 Section 19 of this bill prohibits a business owner or operator from knowingly selling,
60 offering or exposing for sale or transporting for sale egg products or shell eggs within this
61 State that the business owner or operator knows or should have known were produced by an
62 egg-laying hen which was confined in a manner that did not comply, conflicts with the
63 standards set forth in section 15. Section 19 requires a business owner or operator to: (1)
64 obtain a copy of the certificate with the endorsement issued pursuant to section 16 issued

to a farm owner or operator before doing business with the farm owner or operator; (2) retain a copy of the certificate; and (3) provide the copy of the certificate to the Department upon request. **Section 19** provides that it is a defense to any action to enforce this bill that a business owner or operator relied in good faith upon a certificate obtained from a farm owner or operator.

Section 20 of this bill requires the Department to enforce the provisions of this bill. **Section 20** provides that the Department or an authorized inspector or agent of the Department is entitled to free access during regular business hours to the farm, business, ~~for~~ **or** records ~~for vehicle~~ of a farm owner or operator or business owner or operator to ensure compliance with the provisions of this bill. ~~[Section 20 authorizes the Department to employ such inspectors or agents and requires the State Quarantine Officer, who is the Director of the Department, to adopt regulations governing the enforcement of this bill, including regulations governing such inspections.]~~

Section 21 of this bill authorizes the State Quarantine Officer to adopt such regulations as he or she deems necessary to carry out the provisions of this bill. ~~[including regulations that establish reasonable fees and charges.]~~

Existing law provides that any person violating certain provisions is subject to a civil penalty that does not exceed: (1) for the first violation, \$250; (2) for the second violation, \$500; and (3) for each subsequent violation, \$1,000. (NRS 583.700) **Section 22** of this bill provides that any person who violates any of the provisions of this bill is subject to these civil penalties.

Section 23 of this bill provides that this bill is in addition to and supplemental to the powers conferred by any other law protecting animal welfare. **Section 23** provides that the provisions of this bill must not be construed as to prevent the exercise of any power granted by any other law to any officer, agent or employee of this State or of a county or local governing body in this State that protect animal welfare. **Section 23** provides that this bill does not prevent a county or local governing body from adopting and enforcing its own animal welfare rules or ordinances that are more stringent than the provisions of this bill.
