**Legislative Counsel’s Digest:**

1 ~~Existing law requires the Nevada Gaming Commission and the Nevada Gaming Control~~  
2 ~~Board to administer state gaming licenses and manufacturer’s, seller’s and distributor’s~~  
3 ~~licenses and to perform various acts relating to the regulation and control of gaming. (NRS~~  
4 ~~463.140) Existing law also authorizes the use of digital and electronic signatures. (Chapters~~  
5 ~~719 and 720 of NRS) Section 1 of this bill creates a legislative declaration evidencing the~~  
6 ~~intent of the Legislature regarding the use of digital and electronic signatures in the gaming~~  
7 ~~industry.~~

8 ~~The regulations of the Commission authorize an affiliated company which is a publicly~~  
9 ~~traded corporation to apply for approval of a continuous or delayed public offering of the~~  
10 ~~securities of the company under certain circumstances and for a period of not more than 3~~  
11 ~~years. (Nev. Gaming Comm’n § 16.145) Section 2 of this bill codifies the existing regulations~~  
12 ~~and extends the period for such approvals to not more than 5 years. Section 2 also grants the~~  
13 ~~Chair of the Board discretion to require a licensee to submit a new application for licensure or~~  
14 ~~to hold hearings on such an application, or both.~~

15 ~~Existing law requires a licensee who participates in foreign gaming to file certain~~  
16 ~~documents, reports and other information with the Board at certain periodic times. (NRS~~  
17 ~~463.710) Section 3 of this bill: (1) removes the requirement to file any amendments to the~~  
18 ~~accounting and internal control systems utilized in the foreign gaming operation as soon as~~  
19 ~~such amendments are made; and (2) revises the time for filing of certain reports and~~  
20 ~~information to require instead that such reports and information be filed during the regular~~  
21 ~~auditing of the regulatory compliance procedures of the licensee.~~

22 ~~Existing law defines the term “global risk management” as an operation, by a person who~~  
23 ~~has been issued a license to operate a race book or sports pool, of certain risk management~~  
24 ~~services between and among permissible jurisdictions through communications technology for~~  
25 ~~the purposes of providing the management, or consultation or instruction in the management,~~  
26 ~~of wagering pools and the transmission of information relating to wagering pools or other~~

27 similar information. (NRS 463.810) Section 4 of this bill adds an affiliate of such a person to  
28 the definition for purposes relating to the adoption of regulations governing global risk  
29 management.]

30 Existing law makes it unlawful for a person to engage in certain actions relating to  
31 gaming and provides that a person who engages in such actions is guilty of: (1) a category C  
32 felony for the first offense; and (2) a category B for a second or subsequent offense. (NRS  
33 465.070, 465.088) **Section 5** of this bill makes it unlawful for a person to engage in any of the  
34 statutorily prescribed offenses relating to gaming: (1) through an agreement with certain  
35 persons; and (2) with the intent that such an agreement is made to use less than the best efforts  
36 of the person to win, judge, referee, manage, coach or officiate, to limit a margin of victory  
37 or to adversely affect the outcome of a sporting event.
