EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to agriculture; revising provisions relating to the control of noxious weeds; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes the State Quarantine Officer to declare by regulation which weeds of the State are noxious weeds but prohibits the State Quarantine Officer from designating a weed as noxious if the weed is so well established in the State that the State Quarantine Officer judges its control to be impracticable. (NRS 555.130) This bill removes the prohibition, thereby authorizing the State Quarantine Officer to declare any weed to be noxious by regulation.

Existing law authorizes the State Quarantine Officer to temporarily designate a weed as a noxious weed if he or she determines that immediate control of the weed is necessary. Such a temporary designation expires 18 months after the designation is made. (NRS 555.130) This bill ~~additionally~~ requires the State Quarantine Officer to hold a public meeting before making such a temporary designation.

Finally, this bill authorizes the State Quarantine Officer to limit a declaration or temporary designation to a specific geographic area or to specific geographic areas in this State so that a declaration or temporary designation would only apply to those specific geographic areas and not to the entire State. ~~If the State Quarantine Officer makes a temporary designation that is limited to a specific geographic area or to specific geographic areas, this bill requires the State Quarantine Officer to consult with each applicable state agency or department or governing body of a local government which has jurisdiction over any public right-of-way in that area.~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 555.130 is hereby amended to read as follows:

555.130 1. Except as otherwise provided in subsection 2, the State Quarantine Officer may declare by regulation the weeds of the state that are noxious weeds. ~~[, but a weed must not be designated as noxious which is already~~

~~introduced and established in the State to such an extent as to make its control impracticable in the judgment of the State Quarantine Officer.]~~

2. ~~[The]~~ After holding a public meeting, the State Quarantine Officer may temporarily designate a weed as a noxious weed if he or she determines that immediate control of the weed is necessary. A temporary designation expires 18 months after the State Quarantine Officer makes the designation.

3. *The State Quarantine Officer may limit a declaration made pursuant to subsection 1 or a temporary designation made pursuant to subsection 2 to a specific geographic area or to specific geographic areas in this State. Before the State Quarantine Officer makes a temporary designation pursuant to subsection 2 that is limited to a specific geographic area or to specific geographic areas pursuant to this subsection, the State Quarantine Officer shall consult with each applicable state agency or department or governing body of a local government which has jurisdiction over any public right-of-way in the specific geographic area or areas.*
