**Legislative Counsel's Digest:**

(Title 56 of NRS) Existing law authorizes the Board to adopt regulations imposing reasonable restrictions on signage, marketing, display and advertising of cannabis establishments. ~~[, but prohibits the Board from imposing a restriction that requires a cannabis establishment to obtain the approval of the Board before using a logo, sign or advertisement.]~~ (NRS 678A.450) **Section 1** of this bill similarly authorizes the Board to adopt regulations imposing ~~reasonable restrictions on~~ **requirements for** the packaging ~~[used by]~~ **and labeling of** cannabis ~~[establishments to package cannabis or]~~ **and** cannabis products. ~~[, but prohibits the Board from imposing a restriction that requires a cannabis establishment to obtain the approval of the Board or a local government before using such packaging. Section 7 of this bill requires the Board to revise its regulations to conform with the provisions of section 1.]~~

**Section 3** of this bill : **(1) authorizes a cannabis sales facility to engage in curbside pickup [under certain circumstances] in accordance with regulations adopted by the Board; and (2) requires the Board to adopt regulations governing curbside pickup conducted by cannabis sales facilities.** **Section 3** defines "curbside pickup" to mean the delivery of

cannabis or cannabis products by a cannabis sales facility to a consumer in a motor vehicle ~~at a designated parking space~~ on the premises of the cannabis sales facility. **Section 3** ~~requires a cannabis sales facility that wishes to engage in curbside pickup to submit a plan for the implementation of curbside pickup to the Board for approval. Section 3 prescribes the required contents of such a plan, which include, among other requirements, procedures setting forth the manner in which curbside pickup will be conducted and procedures to ensure the security of the cannabis sales facility and consumers during curbside pickup. Existing law ~~imposes certain restrictions on the advertising of]~~ **requires each** cannabis ~~[establishments.]~~ **establishment to, in consultation with the Board, cooperate to ensure that all cannabis products offered for sale meet certain requirements, including, without limitation, certain requirements relating to the labeling of such products. Existing law requires a cannabis production facility to affix a label on each cannabis product containing certain specified information.** (NRS 678B.520) **Section 5** of this bill ~~[provides that the placement of a sign inside a]~~ **removes this requirement and instead requires each** cannabis establishment ~~[that is not visible from outside the establishment does not constitute advertising for the purposes of such restrictions.]~~ **to, in consultation with the Board, cooperate to ensure that all cannabis products offered for sale are labeled with certain specified information and any other information the Board may require by regulation.**

Existing law requires a cannabis sales facility to include with each sale of cannabis or cannabis products a written notification containing certain information. (NRS 678B.520) **Section 5** revises this requirement to require a cannabis sales facility to, instead of providing a written notification, convey the information to each purchaser of cannabis or cannabis products in a manner prescribed by the Board.

Existing law requires the Board to adopt regulations concerning the operation of cannabis establishments, including, without limitation, regulations setting forth minimum requirements for the keeping of records by cannabis establishments.
