Legislative Counsel's Digest:

Under existing law, the Division of Public and Behavioral Health of the
Department of Health and Human Services licenses and regulates certain health
care facilities and organizations that provide health care. (Chapter 449 of NRS)
Sections 2-13 of this bill require the Division to also license and regulate
pharmaceutical sales representatives. **Section 7** of this bill prohibits a person from
marketing prescription drugs in this State to providers of health care, pharmacies or
employees thereof, operators or employees of certain medical facilities, and
insurers, for more than 15 days in a calendar year without obtaining a license from
the Division. **Section 7** also: (1) provides that such a license expires after 1 year;
and (2) requires the State Board of Health to adopt regulations concerning the
practice and regulation of pharmaceutical sales representatives. **Section 8** of this
bill prohibits a licensed pharmaceutical sales representative from engaging in
certain conduct. **Section 9** of this bill requires the Division to keep records of
proceedings relating to the licensure, discipline and investigation of pharmaceutical

support from persons holding a professional license, including a requirement in **section 10** that an applicant for a license include his or her social security number in the application. **Sections 18 and 19** of this bill eliminate that requirement on the date Congress repeals those provisions of federal law. **Section 19** also eliminates all of the requirements related to the collection of child support 2 years after Congress repeals the provisions of federal law imposing those requirements. **Section 14** of this bill makes a conforming change to clarify the applicability of the requirement governing the submission of a social security number.

Section 12 of this bill provides that it is a misdemeanor to violate any provision of **sections 2-13** relating to the licensure and regulation of pharmaceutical sales representatives. **Section 13** of this bill authorizes the Division to maintain an action for an injunction against a natural person or business entity who violates any provision of **sections 2-13**. **Section 16** of this bill makes a conforming change to ensure that the term "pharmaceutical sales representative" is defined for an existing provision of law in the same manner as that term is defined in **section 5** of this bill. (NRS 439B.660) **Section 17** of this bill classifies pharmaceutical sales representatives as professionals for the purposes of certain requirements related to compensation, wages and hours and exemptions from those requirements.
