19 *sections 8 and 9 of this act*, sections 35, 38 and 41 of chapter 478,
20 Statutes of Nevada 2011 and section 2 of chapter 391, Statutes of
21 Nevada 2013 and unless otherwise declared by law to be
22 confidential, all public books and public records of a governmental
23 entity must be open at all times during office hours to inspection by
24 any person, and may be fully copied or an abstract or memorandum
25 may be prepared from those public books and public records. Any
26 such copies, abstracts or memoranda may be used to supply the
27 general public with copies, abstracts or memoranda of the records or
28 may be used in any other way to the advantage of the governmental
29 entity or of the general public. This section does not supersede or in
30 any manner affect the federal laws governing copyrights or enlarge,
31 diminish or affect in any other manner the rights of a person in any
32 written book or record which is copyrighted pursuant to federal law.

33 2. A governmental entity may not reject a book or record
34 which is copyrighted solely because it is copyrighted.

35 3. A governmental entity that has legal custody or control of a
36 public book or record shall not deny a request made pursuant to
37 subsection 1 to inspect or copy or receive a copy of a public book or
38 record on the basis that the requested public book or record contains
39 information that is confidential if the governmental entity can
40 redact, delete, conceal or separate, including, without limitation,
41 electronically, the confidential information from the information
42 included in the public book or record that is not otherwise
43 confidential.

44 4. If requested, a governmental entity shall provide a copy of a
45 public record in an electronic format by means of an electronic

1 medium. Nothing in this subsection requires a governmental entity
2 to provide a copy of a public record in an electronic format or by
3 means of an electronic medium if:

4 (a) The public record:

5 (1) Was not created or prepared in an electronic format; and

6 (2) Is not available in an electronic format; or

7 (b) Providing the public record in an electronic format or by
8 means of an electronic medium would:

9 (1) Give access to proprietary software; or

10 (2) Require the production of information that is confidential
11 and that cannot be redacted, deleted, concealed or separated from
12 information that is not otherwise confidential.

13 5. An officer, employee or agent of a governmental entity who
14 has legal custody or control of a public record:

15 (a) Shall not refuse to provide a copy of that public record in the
16 medium that is requested because the officer, employee or agent has
17 already prepared or would prefer to provide the copy in a different
18 medium.

19 (b) Except as otherwise provided in NRS 239.030, shall, upon
20 request, prepare the copy of the public record and shall not require
21 the person who has requested the copy to prepare the copy himself
22 or herself.

23 **Sec. 14.** The provisions of subsection 1 of NRS 218D.380 do
24 not apply to any provision of this act which adds or revises a
25 requirement to submit a report to the Legislature.

26 **Sec. 15.** The Department of Taxation shall develop and make
27 available on its Internet website the survey required by section 6 of
28 this act before October 1, 2021.

29 **Sec. 16.** 1. This section becomes effective upon passage and
30 approval.

31 2. Sections 1 to 15, inclusive, of this act become effective:

32 (a) Upon passage and approval for the purpose of adopting
33 regulations, developing the survey required by section 6 of this act
34 and performing any other preparatory administrative tasks that are
35 necessary to carry out the provisions of this act; and

36 (b) On July 1, 2021, for all other purposes.
