

Senate Bill No. 342–Committee on Education

CHAPTER.....

AN ACT relating to higher education; authorizing the Board of Regents of the University of Nevada to enter into an agreement to affiliate with a publicly or privately owned medical facility or related entity for certain purposes; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires the Board of Regents of the University of Nevada to establish certain policies governing the contracts that faculty members and employees of the Nevada System of Higher Education may enter into. (NRS 396.255) Existing law additionally authorizes certain faculty members of the System to bid on or enter into a contract with a governmental agency if the contract complies with policies established by the Board of Regents. (NRS 281.221) **Section 1** of this bill similarly authorizes the Board of Regents to enter into an agreement to affiliate with a publicly or privately owned medical facility or related entity, whether for profit or not for profit, to further promote and enhance a medical education or health education program at a university. **Section 2** of this bill establishes that such agreements are subject to the policies established by the Board of Regents governing the contracts that faculty members and employees of the System may enter into or benefit from.
