**Legislative Counsel's Digest:**

Existing law provides for the licensure or certification by the Division of Financial Institutions of the Department of Business and Industry or the Commissioner of Financial Institutions of providers of deferred deposit loans, high-interest loans, title loans, check-cashing services, consumer litigation funding companies, private professional guardians, exchange facilitators, collection agencies, issuers of instruments for transmission or payment of money, providers of installment loans and providers of debt-management services. (Chapters 604A, 604C, 628B, 645G, 649, 671, 675 and 676A of NRS) This bill revises various provisions of existing law concerning the issuance and renewal of licenses and certificates by the Commissioner or Division for the purpose of authorizing such licenses and certificates to be issued and renewed through the Nationwide Multistate Licensing System and Registry.

**Section 34** of this bill defines the "Nationwide Multistate Licensing System and Registry" to mean, in general, a multistate licensing system developed by the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators and operated by the State Regulatory Registry, LLC, for the licensing and registration of non-depository financial service entities by participating state agencies. **Sections 2, 11, 22, 35, 46, 57, 68 and 80** of this bill: (1) authorize the Commissioner, in furtherance of his or her duties or the duties of the Division, as applicable, with respect to the issuance and renewal of licenses and certificates, to participate in the Registry; and (2) set forth certain actions that the Commissioner is authorized to take concerning participation in the Registry, including, among others, requiring applicants for or holders of licenses and certificates to use the Registry to submit certain information and fees relating to licensure or certification.

**Sections 3, 12, 23, 36, 47, 58, 69 and 81** of this bill authorize the Commissioner to: (1) require an applicant for licensure or certification or a licensee or certificate holder to submit a complete set of fingerprints when the Commissioner determines necessary; and (2) use the services of the Registry to process and to submit the fingerprints to the Federal Bureau of Investigation and certain other federal and state agencies for the purposes of conducting a criminal background check. **Sections 5, 14, 25, 38, 49, 60, 71 and 83** of this bill similarly require each applicant for the issuance of a license or certificate and certain other persons to submit a complete set of fingerprints to the Registry. **Sections 17, 28, 41, 53, 63, 74, 86 and 88** of this bill remove provisions of existing law requiring applicants for certain licenses or certificates to submit fingerprints to the Commissioner or the Division to conform with the requirements set forth in this bill concerning the submission of fingerprints to the Commissioner and Registry.

**Sections 4, 13, 24, 37, 48, 59, 70 and 82** of this bill: (1) require the Commissioner to report to the Registry certain information concerning violations of applicable laws by applicants for licenses or certificates and licensees or certificate holders; and (2) authorize the Commissioner to enter into certain agreements or sharing arrangements with the Conference of State Bank Supervisors, the State Regulatory Registry, LLC, and certain other entities.

**Sections 6, 15, 26, 39, 50, 61, 72 and 84** of this bill: (1) authorize the Commissioner to issue a license or certificate through the Registry; and (2) provide that, to the extent that the Commissioner has delegated his or her duties or the duties of the Division, as applicable, with respect to the issuance or renewal of licenses or certificates as authorized under the provisions of this bill, references to the Commissioner or Division in provisions of existing law governing the issuance or renewal of such licenses or certificates are deemed to be references to the Registry.

**Sections 8, 18, 32, 42, 51, 64, 74-77, 87 and 89** of this bill provide that certain licenses and certificates expire on December 31 of each year. A person who wishes

to renew such a license or certificate must submit any materials and fees required for renewal on or after November 1 and on or before December 31. If such a person fails to do so in any year, the license or certificate is cancelled as of December 31 of that year. **Sections 8, 18, 32, 42, 51, 64, 75 and 89** authorize the Commissioner to reinstate certain licenses or certificates which have been cancelled if the person submits any applicable materials and fees required for renewal and reinstatement on or before February 28 of the following year.

**Section 9** of this bill requires a person who is licensed to engage in the business of selling or issuing checks or of receiving for transmission or transmitting money or credits to submit an annual report to the Registry. Similarly, **sections 19, 43, 54, 65 and 90** of this bill: (1) require certain licensees that are required to submit certain annual reports to the Commissioner to also submit such reports to the Registry; and (2) authorize the Commissioner to require such licensees to submit additional, more frequent reports as the Commissioner determines necessary.

**Section 91** of this bill requires the Commissioner to notify the Governor and the Director of the Legislative Counsel Bureau when the Commissioner determines that the Registry has sufficient capabilities to allow the Commissioner to carry out the provisions of **sections 1-90** of this bill and requires the Commissioner to publish the notice on the Internet website of the Division. Under **section 92** of this bill, the provisions of **sections 1-90** become effective for all purposes on the date on which the Commissioner provides such notice.

**Sections 27, 40, 52, 62, 73 and 85** of this bill make conforming changes to indicate the proper placement of certain sections of this bill in the Nevada Revised Statutes. **Sections 29-31** of this bill make conforming changes to reflect the revisions made to the provisions of **section 28**.
