AN ACT relating to counties; revising the membership of the county fair and recreation board of certain counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of any county to create a county fair and recreation board. (NRS 244A.599) Existing law further requires that, in any county whose population is 700,000 or more (currently Clark County), a county fair and recreation board must consist of 14 members, including 8 members who were selected by the board of county commissioners and the governing bodies of certain cities in the county and 6 members appointed by the other 8 members. (NRS 244A.603) This bill increases the membership of such a county fair and recreation board to 15 members and requires that the additional member be appointed by the 8 selected members from a list of nominees submitted by the largest chamber of commerce that represents Latino or Hispanic businesses in the county.
