AN ACT relating to drivers' licenses; requiring, under certain circumstances, that the Department of Motor Vehicles place a designation on a driver's license for certain persons with autism; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to adopt regulations establishing a program for the imprinting of a symbol or other indicator of a medical condition on a driver's license. (NRS 483.3485) Existing law further requires, upon the application of a person with a disability which limits or impairs the ability to walk, that the Department place a designation on any driver's license issued to the person indicating that the person is a person with such disability. (NRS 483.349) **Section 1** of this bill requires, upon the application of a person with autism, that the Department place on any driver's license issued to the person a designation indicating that the person is a person with autism. The application must include a statement from a licensed physician or an advanced practice registered nurse certifying that the applicant is a person with autism.

Sections 2 and 3 of this bill make conforming changes to indicate the proper placement of **section 1** in the Nevada Revised Statutes.
