AN ACT relating to elections; revising provisions relating to the authorized methods of voting in an election under certain circumstances; revising provisions relating to accommodations for certain voters who are elderly or have a disability; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that voting at any election conducted under title 24 of NRS must be on printed ballots or by any other system approved by the Secretary of State or specifically authorized by law. (NRS 293.270) Existing law also provides that mechanical voting systems may be used to cast, register, record and count ballots or votes in all statewide, county, city and district elections of any kind held in this State. (NRS 293B.050) **Sections 5, 9 and 15** of this bill prohibit the use of paper ballots when voting in person at the polls at an election in this State and instead require that all votes cast in person at a polling place be cast using a mechanical voting system. **Sections 2, 4, 7, 11, 14, 16, 18, 21, 25, 27, 29, 31, 33, 35, 37, 39, 40, 42, 44 and 46** of this bill make conforming changes to remove references to paper ballots and printing on paper ballots. **Sections 1, 3, 10, 12, 13, 20, 22-24, 26, 28, 30, 32, 34, 36, 38, 41, 43, 45 and 47** of this bill make conforming changes to require the use of a mechanical voting system when voting in person. **Section 49** of this bill makes conforming changes to repeal certain provisions relating to paper ballots and the discretionary use of mechanical voting systems.

Existing law requires that, with certain exceptions, each polling place must have at least one voting booth that is specifically designed, designated and equipped for voters who are elderly or voters with a disability. (NRS 293.2955, 293C.281) **Sections 6 and 17** of this bill instead require, with certain exceptions, that each polling place must have at least two such voting booths and additional voting booths if determined necessary by the county clerk or city clerk. **Sections 6 and 17** further require each county clerk, city clerk and all election board officers to complete training in the use of the voting booths and specially equipped voting devices in order to assist such voters. **Sections 8 and 19** of this bill make conforming changes to revise existing internal references relating to **sections 6 and 17**.
