provided to Medicaid recipients. **Section 1** also requires the Department to apply for a waiver of federal Medicaid requirements or request to amend the State Plan to receive federal funding to provide coverage of creative arts therapy. Finally, **section 1** requires a person who wishes to provide creative arts therapy services to a recipient of Medicaid to enroll with the Division of Health Care Financing and Policy of the Department. **Section 4** of this bill makes a conforming change by including the duties listed in **section 1** among the duties the Director of the Department is required to fulfill.

(NRS 200.5093, 432B.240) **Sections 2 and 3** of this bill expand these reporting requirements to an enrolled creative arts therapist.

Existing law creates the Nevada Cultural Account in the State General Fund to provide resources and support for organizations, projects and activities relating to the arts and humanities in this State. (NRS 233C.095, 233C.096) **Section 4.5** of this bill authorizes certain funds in the Account to be expended to support programs and projects to improve health outcomes through the arts and humanities.
