Legislative Counsel's Digest:

Section 1 of this bill requires the Governor to certify the amount of money authorized or reauthorized for expenditure from the COVID-19 Relief Programs budget account that is projected by the Office of Finance in the Office of the Governor not to be expended for its approved purpose by December 31, 2026. **Section 1** requires the Office of Finance to: (1) in accordance with the requirements for work program revisions in existing law, transfer, or request the transfer of, as applicable, the certified money from the budget accounts in which the money is being held to the COVID-19 Relief Programs budget account; and (2) cause to be carried out the processing of payments of the certified money from the COVID-19 Relief Programs budget account to registered nonprofit organizations in amounts, with certain exceptions, equal to the percentages of the certified money specified for those registered nonprofit organizations in section 3 of this bill. Section 2 of this bill sets forth the requirements for such registration. Section 3 specifies the nonprofit organizations that are eligible to register and the percentages of the certified money, with certain exceptions, for which those nonprofit organizations are eligible if they are registered. WHEREAS, Studies have shown that nonprofit organizations faced considerable challenges during the COVID-19 pandemic as a result of a substantial reduction in the number of their volunteers and donations and a significant increase in the demand for their services; and

WHEREAS, Nonprofit organizations nevertheless rose to the challenges presented by the pandemic and found innovative ways to continue to provide their services to the local communities in Nevada; and

WHEREAS, Redirecting unused money that was provided by the Federal Government to ameliorate the effects of the COVID-19 pandemic will assist nonprofit organizations to recover from the COVID-19 pandemic and flourish in the future; now therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. On or after July 15, 2024, but before August 1, 2024, the Governor shall submit a written report to the Interim Finance Committee and the State Treasurer that:

- (a) Itemizes the money that was authorized for expenditure from the COVID-19 Relief Programs budget account in section 1 of chapter 434, Statutes of Nevada 2021, at page 2765, including any portion of that money that was reauthorized subsequently by the Nevada Legislature; and
- (b) Certifies a cumulative total of the portion of that money that is projected by the Office of Finance in the Office of the Governor not to be expended for its approved purpose by December 31, 2026.
 - 2. On or before August 30, 2024, the Office of Finance shall:
- (a) Process any work programs to authorize the transfer of the money certified in paragraph (b) of subsection 1 from the budget accounts in which that money is held to the COVID-19 Relief Programs budget account and that do not require the approval of the Interim Finance Committee pursuant to NRS 353.220 and process the transfer of the money.
- (b) Submit to the Secretary of the Interim Finance Committee any work programs that authorize the transfer of the money certified in paragraph (b) of subsection 1 from the budget accounts in which that money is held to the COVID-19 Relief Programs budget account and that require the approval of the Interim Finance Committee pursuant to NRS 353.220, process the transfer of the money and process any work program necessary to authorize the payments required in subsection 3 from the COVID-19 Relief Programs budget account.

- 3. Except as otherwise provided in this subsection, on or before December 31, 2024, the Office of Finance shall cause to be carried out the processing of payments from the COVID-19 Relief Programs budget account to each registered nonprofit organization listed in the report submitted by the State Treasurer to the Office of Finance pursuant to section 2 of this act in an amount equal to the percentage of the amount of money certified in paragraph (b) of subsection 1 that is specified for that nonprofit organization in section 3 of this act. The Office of Finance shall not withhold any portion of such a payment. If an eligible nonprofit organization specified in section 3 of this act is not listed as a registered nonprofit organization in the report submitted by the State Treasurer to the Office of Finance pursuant to section 2 of this act, the Office of Finance shall reallocate the percentage share of the money certified pursuant to paragraph (b) of subsection 1 that would have otherwise been allocated to the eligible nonprofit organization pro rata among the registered nonprofit organizations within the same category or subcategory set forth in section 3 of this act, as applicable. If none of the eligible nonprofit organizations in a category or subcategory listed in section 3 of this act are registered pursuant to section 2 of this act, the Office of Finance shall reallocate the percentage share of the money certified pursuant to paragraph (b) of subsection 1 that would have otherwise been allocated to that category or subcategory pro rata among the other categories or subcategories, as applicable.
- **Sec. 2.** 1. On or before June 30, 2024, an eligible nonprofit organization listed in section 3 of this act may apply to the State Treasurer, on a form prescribed by the State Treasurer, for registration to receive a payment of the percentage set forth in section 3 of this act for that nonprofit organization of the money certified pursuant to paragraph (b) of subsection 1 of section 1 of this act. The State Treasurer shall not approve an application for registration unless the eligible nonprofit organization demonstrates that the proposed use of the money is an approved use under the Final Rule of the United States Department of the Treasury, 31 C.F.R. Part 35, RIN 1505-AC77.
- 2. The State Treasurer may revoke a registration approved pursuant to subsection 1 if the State Treasurer becomes aware of circumstances that the State Treasurer reasonably believes will impair the ability of the registered nonprofit organization to carry out the use of the certified money proposed to be distributed to the registered nonprofit organization.
- 3. On or after July 15, 2024, but before August 1, 2024, the State Treasurer shall submit to the Office of Finance in the Office of the Governor a report listing the eligible nonprofit organizations that are registered pursuant to subsection 1.

Sec. 3. The following nonprofit organizations are eligible to apply for registration pursuant to section 2 of this act to receive a payment of the percentage set forth in this section for that nonprofit organization of the money certified pursuant to paragraph (b) of subsection 1 of section 1 of this act, except as otherwise provided in subsection 3 of section 1 of this act:
