Legislative Counsel’s Digest:

Existing law authorizes the Board of Regents of the University of Nevada to assess tuition charges for students at all campuses of the Nevada System of Higher Education who are not residents of Nevada. Existing law also prevents the Board of Regents from assessing tuition charges against veterans who have been awarded the Purple Heart. (NRS 396.540) **Section 1** of this bill prohibits the Board of Regents from assessing tuition charges against the child of a veteran who has been awarded the Purple Heart.

Existing law authorizes the Board of Regents to grant a waiver of registration and certain other fees to certain persons, including a student who is a veteran of the Armed Forces of the United States who has been awarded the Purple Heart. (NRS 396.5443) **Section 2** of this bill requires the Board of Regents to waive the payment of registration fees, laboratory fees and any other mandatory fees assessed each semester against a student who is the child of a veteran of the Armed Forces of the United States who has been awarded the Purple Heart to the extent that the fees exceed the amount of any federal educational benefits to which the student is entitled. **Section 2 additionally provides that a child who is eligible to receive such a waiver may use it for: (1) ten years after he or she attains 18 years of age; or (2) if he or she enrolls in the System before attaining 18 years of age, for 10 years after the date of enrollment.**
