Date: 4/13/2023

S.B. No. 208—Authorizes counties and cities to enact certain ordinances relating to battery-charged fences. (BDR 20-853)

SENATE BILL NO. 208—SENATORS FLORES, STONE, GOICOECHEA; DALY, KRASNER AND OHRENSCHALL

MARCH 2, 2023

Referred to Committee on Government Affairs

SUMMARY—~~[Authorizes]~~ **Requires** counties and cities to enact certain ordinances relating to battery-charged fences. (BDR 20-853)

FISCAL NOTE: Effect on Local Government: No.
Effect on the State: No.

CONTAINS UNFUNDED MANDATE (§§ 1, 2)
(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

~

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to local governments; ~~[authorizing, under certain circumstances,]~~ **requiring** the governing body of a county or city to enact ordinances relating to battery-charged fences; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law authorizes the governing body of a county or city to enact ordinances that
2 regulate certain health and safety issues. (NRS 244.355-244.369, 268.409-268.427) **Sections 1**
3 **and 2** of this bill ~~[authorize]~~ **require** the governing body of a county or city to enact an
4 ordinance that regulates battery-charged fences. **Sections 1 and 2** require that such an
5 ordinance require that a battery-charged fence: (1) be located on property not zoned
6 exclusively for residential use; (2) use a battery that is not more than 12 volts of direct current;
7 (3) have an energizer that meets the most current standards set forth by the International
8 Electrotechnical Commission; (4) be surrounded by a nonelectric perimeter fence or wall; (5)
9 be not more than a certain height; and (6) be marked with certain conspicuous warning signs
10 located on the battery-charged fence. **Sections 1 and 2** prohibit such an ordinance from: (1)
11 requiring a permit for the installation or use of a battery-charged fence that is in addition to an
12 alarm system permit issued by the county or city; (2) imposing installation or operational
13 requirements for a battery-charged fence that are inconsistent with the standards set forth by
14 the International Electrotechnical Commission; or (3) prohibiting the installation or use of a
15 battery-charged fence.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 244 of NRS is hereby amended by adding thereto a new
2 section to read as follows:
3 **1. Except as otherwise provided in subsection 3, a board of county**
4 **commissioners ~~may~~ shall enact ordinances regulating battery-charged fences.**

1 2. An ordinance enacted pursuant to this section must, without limitation,
2 require that a battery-charged fence:

3 (a) Be located on property that is not zoned exclusively for residential use;

4 (b) Use a battery that is not more than 12 volts of direct current;

5 (c) Have an energizer that meets the most current standards set forth by the
6 International Electrotechnical Commission;

7 (d) Be surrounded by a nonelectric perimeter fence or wall that is at least 5
8 feet in height;

9 (e) Not be higher than 10 feet in height or 2 feet higher than the height of
10 the nonelectric perimeter fence or wall described in paragraph (d), whichever is
11 greater; and

12 (f) Be marked with conspicuous warning signs that are located on the
13 battery-charged fence at intervals of not more than 40 feet and that read:
14 "WARNING: ELECTRIC FENCE."

15 3. A board of county commissioners, in enacting an ordinance pursuant to
16 this section, may not enact an ordinance that:

17 (a) Requires a permit for the installation or use of a battery-charged fence
18 that is in addition to any permit that is required to install an alarm system;

19 (b) Imposes any installation or operational requirement for a battery-
20 charged fence that is inconsistent with the most current standards set forth by the
21 International Electrotechnical Commission; or

22 (c) Prohibits the installation or use of a battery-charged fence.

23 4. As used in this section:

24 (a) "Alarm system" means a device or system that transmits an audible,
25 visual or electronic signal intended to summon or alert law enforcement. The
26 term does not include a system which does not transmit a signal from outside of a
27 building or residence and is intended to alert only occupants of a building or
28 residence.

29 (b) "Battery-charged fence" means a fence that interfaces with an alarm
30 system in a manner that enables the fence to cause the connected alarm system to
31 transmit a signal intended to summon law enforcement in response to an
32 intrusion and has an energizer that is driven by a battery.

33 **Sec. 2.** Chapter 268 of NRS is hereby amended by adding thereto a new
34 section to read as follows:

35 1. Except as otherwise provided in subsection 3, a city council or other
36 governing body of an incorporated city ~~may~~ shall enact ordinances regulating
37 battery-charged fences.

38 2. An ordinance enacted pursuant to this section must, without limitation,
39 require that a battery-charged fence:

40 (a) Be located on property that is not zoned exclusively for residential use;

41 (b) Use a battery that is not more than 12 volts of direct current;

42 (c) Have an energizer that meets the most current standards set forth by the
43 International Electrotechnical Commission;

44 (d) Be surrounded by a nonelectric perimeter fence or wall that is at least 5
45 feet in height;

46 (e) Not be higher than 10 feet in height or 2 feet higher than the height of
47 the nonelectric perimeter fence or wall described in paragraph (d), whichever is
48 greater; and

49 (f) Be marked with conspicuous warning signs that are located on the
50 battery-charged fence at intervals of not more than 40 feet and that read:
51 "WARNING: ELECTRIC FENCE."

52 3. A city council or other governing body of an incorporated city, in
53 enacting an ordinance pursuant to this section, may not enact an ordinance that:

1 (a) *Requires a permit for the installation or use of a battery-charged fence*
2 *that is in addition to any permit that is required to install an alarm system;*

3 (b) *Imposes any installation or operational requirement for a battery-*
4 *charged fence that is inconsistent with the most current standards set forth by the*
5 *International Electrotechnical Commission; or*

6 (c) *Prohibits the installation or use of a battery-charged fence.*

7 4. *As used in this section:*

8 (a) *“Alarm system” means a device or system that transmits an audible,*
9 *visual or electronic signal intended to summon or alert law enforcement. The*
10 *term does not include a system which does not transmit a signal from outside of a*
11 *building or residence and is intended to alert only occupants of a building or*
12 *residence.*

13 (b) *“Battery-charged fence” means a fence that interfaces with an alarm*
14 *system in a manner that enables the fence to cause the connected alarm system to*
15 *transmit a signal intended to summon law enforcement in response to an*
16 *intrusion and has an energizer that is driven by a battery.*

17 Sec. 2.5. The provisions of NRS 354.599 do not apply to any additional
18 expenses of a local government that are related to the provisions of this act.

19 Sec. 3. Any ordinance, regulation or rule enacted by a county or city before,
20 on or after July 1, 2023, which conflicts with the provisions of this act is void and
21 unenforceable.

22 Sec. 4. This act becomes effective on July 1, 2023.
