AN ACT relating to elections; **revising the definition of “committee for political action”**; revising the requirements for certain persons, committees for political action, political parties and committees sponsored by a political party to report contributions and expenditures; **authorizing, under certain circumstances, a candidate who is defeated or otherwise not elected to office at a general election or certain special elections to use unspent contributions in a future election; revising the requirement for reporting certain campaign expenses or expenditures**; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law: (1) requires a committee for political action to register with the Secretary of State and report certain contributions and expenditures; and (2) defines a committee for political action to mean certain entities that solicit or receive contributions and make or intend to make certain contributions or make or intend to make certain expenditures. (NRS 294A.0055, 294A.150, 294A.210, 294A.220, 294A.230, 294A.410) Section 1 of this bill revises the definition of a “committee for political action” to: (1) mean certain organizations rather than entities; and (2) exclude from the definition any business or social organization, corporation, partnership, association, trust, unincorporated organization or labor union that limits its political actions to making contributions to a candidate or other committee for political action and the candidate or committee for political action that receives the contribution is required to report the contribution pursuant to the provisions of the Nevada Revised Statutes relating to campaign finance.

Existing law requires certain persons who make independent expenditures and certain committees for political action, political parties and committees sponsored by a political party which receive certain contributions or make certain expenditures to submit reports of such contributions. (NRS 294A.140, 294A.150) Sections ~~1.5~~ **1.5** and **2** of this bill require such persons and committees to also report: (1) the total amount of all contributions of \$1,000 or less received during the reporting period; and (2) the balance in the campaign account, if such person or committee is required to maintain such an account.

Existing law requires every candidate for office at a primary election, general election or special election who is defeated for or otherwise not elected to that office and who received contributions that were not spent or committed for expenditure to dispose of the money not later than the 15th day of the second month after the election. (NRS 294A.160) Section 2.3 of this bill authorizes, under certain circumstances, such a

candidate to use such money in a future election. Such a candidate is subject to reporting requirements for contributions and campaign expenses for as long as the person is a candidate. Section 2.3 further provides that if such a candidate does not file a declaration of candidacy or appear on an official ballot at any election within 4 years, the candidate must dispose of the unspent contributions. Sections 2.6 and 3.3 of this bill make conforming changes to amend existing internal references in existing law to account for the revisions made by section 2.3.

Existing law provides that when reporting contributions, a person who qualifies as a committee for political action is required to report only those contributions received for the purpose of affecting the outcome of any election or question on the ballot. (NRS 294A.230) Section 3 of this bill provides similarly that such a person is required to report only those expenditures made for the purpose of affecting the outcome of any election or question on the ballot.

Existing law requires that each report of campaign expenses or expenditures state the category and amount of each campaign expense or expenditure. (NRS 294A.365) Section 3.5 of this bill requires that each such report also state the name and address of the recipient of the campaign expense or expenditure.

Section 3.8 of this bill specifies that the new requirements set forth in this bill: (1) do not apply to any report of contributions or expenditures that is required to be filed by a committee for political action on or before January 15, 2024; and (2) apply to every report of contributions or expenditures that is required to be filed by a committee for political action after January 15, 2024.
