EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to gaming; excluding certain portions of entry fees
paid to participate in a contest or tournament from the
gross revenue of certain gaming licensees for the purpose
of calculating gaming license fees and for certain other
purposes; and providing other matters properly relating
thereto.

Legislative Counsel's Digest:

1 Existing law requires the Nevada Gaming Commission to charge and collect
2 from each licensee a monthly license fee in an amount equal to a certain percentage
3 of the gross revenue of the licensee. (NRS 463.370) Under existing law, the gross
4 revenue on which the monthly license fee is imposed includes entry fees for the
5 right to participate in contests and tournaments, minus certain enumerated
6 deductions. (NRS 463.0161) This bill excludes from the gross revenue on which
7 the monthly license fee is imposed any portion of entry fees for the right to
8 participate in contests and tournaments that is: (1) designated as employee
9 compensation and used to pay an employee of a licensee additional compensation
10 for being involved in the organization or operation of the contest or tournament; (2)
11 designated as a donation and remitted to certain tax-exempt organizations; (3)

added to a payoff schedule of the contest or tournament that is paid as a prize to a participant in a present or future contest or tournament; or (4) added to an account to pay guaranteed payouts of future contests or tournaments.

For the purposes of the regulation of gaming in this State, a nonrestricted licensee is a licensee who is licensed to operate: (1) 16 or more slot machines; (2) any number of slot machines together with any other game, gaming device, race book or sports pool at one establishment; or (3) a slot machine route. (NRS 463.0177) Under existing law, the Commission is: (1) authorized to require nonrestricted licensees with an annual gross revenue of \$1,000,000 or more to report and keep records of all transactions involving cash; and (2) required to adopt regulations requiring audits of the financial statements of nonrestricted licensees whose annual gross revenue is \$5,000,000 or more, as adjusted annually based on the Consumer Price Index (All Items) for the preceding year. (NRS 463.125, 463.159) Because this bill excludes from gross revenue certain portions of the entry fee for the right to participate in contests or tournaments, that revenue would be excluded for the purposes of these calculations.
