Legislative Counsel's Digest:

Existing law requires the Department of Health and Human Services to provide certain services to persons who are transient, at imminent risk of homelessness or homeless. (NRS 422A.680) **Section 7** of this bill authorizes a provider of homeless services to authorize a person experiencing homelessness to utilize the provider's address as a temporary mailing address, if that person is a Nevada resident receiving other services from the provider. A person authorized to use a temporary mailing address under **section 7** may use that temporary mailing address for various purposes, including applying for public assistance, enrolling a family member in school, enrolling in an institution of the Nevada System of Higher Education, obtaining housing and seeking or retaining employment. **Section 7** requires a provider of homeless services to notify the Division of Welfare and Supportive Services of the Department within 30 days after authorizing a person experiencing homelessness to use the provider's address as that person's temporary address. **Section 7** further requires the Division, within the limits of legislative appropriation, to publish on the Internet website maintained by the Division a list of providers of homeless services that authorize a person experiencing homelessness to use the provider's address as that person's temporary mailing address. Finally, **section 7** provides that nothing in this bill shall be construed to prohibit a person

19 actually residing at a provider of homeless services from using the address of that
20 provider for the purpose of registering to vote or receiving voting materials by mail.

21 **Section 8** of this bill authorizes the Administrator of the Division to adopt
22 regulations to carry out the provisions of **sections 2-8** of this bill.
