EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to financial services; prohibiting the Commissioner of Financial Institutions from requiring an applicant for a license to establish a new depository institution to identify the physical address of the proposed depository institution in the application for the license; authorizing certain persons employed by financial institutions to temporarily delay certain financial transactions involving the suspected exploitation of an older person or vulnerable person; authorizing the employee of a person licensed to engage in the business of lending in this State to perform certain work from a remote location under certain circumstances; setting forth various requirements concerning such work performed at a remote location; requiring a person licensed to engage in the business of lending in this State to provide notice to the Attorney General and certain other persons of certain breaches of security involving personal information; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

- 1 Existing law provides for the licensure and regulation of various types of
- 2 financial institutions, including, without limitation, depository institutions, by the
- 3 Commissioner of Financial Institutions. (Title 55 of NRS) Existing law requires the
- 4 Commissioner, during the process for the organization and licensing of a banking
- 5 corporation or company, to examine all the facts connected with the formation of
- 6 the proposed banking corporation or company, including its location. (NRS
- 7 659.045) Similarly, existing law requires a person who desires to organize a
- 8 savings bank to submit to the Commissioner an application that contains, among

9 other things, the location of the proposed main office of the savings bank. (NRS  
10 673.080) **Section 1** of this bill prohibits the Commissioner from requiring an  
11 applicant for a license to establish a new depository institution to identify in  
12 the application for the license the physical address where the main office of the  
13 proposed depository institution will be located. **Section 1** authorizes  
14 the Commissioner to require such an applicant to: (1) identify the location of the  
15 proposed main office, described in general terms, in the application; and (2)  
16 provide the physical address of the proposed main office before the depository  
17 institution commences business. **Section 2** of this bill makes a conforming change  
18 to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

19 Existing law prohibits a person from engaging in the business of lending in this  
20 State without having first obtained a license from the Commissioner for each office  
21 or other place of business in which the person engages in the business of lending.  
22 (NRS 675.060) **Section 5** of this bill authorizes an employee of a licensee to engage  
23 in the business of lending in this State at a remote location if authorized by the  
24 licensee. **Section 5** requires a licensee: (1) to enter into a written agreement with an  
25 employee before authorizing the employee to work at a remote location; and (2) to  
26 ensure that the employee and the remote location meet certain requirements.  
27 **Section 6** of this bill requires a licensee who authorizes an employee to engage in  
28 the business of lending in this State at a remote location to develop and adhere to a  
29 written data security policy meeting certain requirements. **Section 7** of this bill sets  
30 forth certain prohibited acts with respect to an employee who engages in the  
31 business of lending in this State at a remote location. **Section 8** of this bill requires  
32 a licensee who authorizes any employee to engage in the business of lending in this  
33 State at a remote location to conduct an annual review and evaluation of the  
34 operations of the licensee which are conducted by employees working at remote  
35 locations. **Section 11** of this bill defines words and terms for the purposes of this  
36 bill. **Sections 12-16** of this bill make certain changes to provisions governing the  
37 licensing of persons engaged in the business of lending to account for the  
38 provisions of **sections 5-8** which authorize an employee of a licensee to engage in  
39 the business of lending in this State at a remote location.

40 Existing law requires a data collector that owns, licenses or maintains  
41 computerized data which includes personal information to, after discovery or  
42 notification of a breach of security in which personal information maintained by the  
43 data collector was, or is reasonably believed to have been, acquired by an  
44 unauthorized person, notify each affected resident of this State and certain other  
45 persons. (NRS 603A.220) **Section 17** of this bill exempts a person licensed to  
46 engage in the business of lending in this State from those requirements. **Section 9**  
47 of this bill instead sets forth similar provisions which require a licensee, after  
48 discovery or notification of a breach of security in which personal information  
49 maintained by the licensee was, or is reasonably believed to have been, acquired by  
50 an unauthorized person, to notify each affected resident if the breach is reasonably  
51 likely to subject the resident to a risk of harm and certain other conditions are met.  
52 **Section 9** sets forth certain requirements for such a notification. **Section 10** of this  
53 bill requires a licensee who is required to notify more than 500 residents of this  
54 State pursuant to **section 9** as the result of a single breach also to notify the  
55 Attorney General.
