Board: **Nevada State Board of Accountancy**

Approved by: Viki Windfeldt, Executive Director

Comment: The Nevada State Board of Accountancy has reviewed the proposed language and believes there will be a fiscal impact if this bill passes. Changing the legislative session to an annual basis will increase staff, legal counsel, lobbyist and board member time. The amount of time that is spent during the legislative session will then double if the session will change from every other year to annual. We will need to review the specific amount that is spent during a legislative session to determine the impact this would have on future budgets.
