City/County: **Clark County**
Approved by: Rachel Stevens, Principal Management Analyst
Comment: The bill extends financial assistance to adoptive parents of children with special needs from the age of 18 to 21. It is estimated the change in age range will increase the adoption subsidy caseload for Clark County by approximately 1,000 cases. Fiscal impacts include the salaries and benefits for one Social Work Specialist and one Eligibility Specialist to assist with adoption subsidy renewal processing, eligibility determinations, and UNITY data entry for the additional cases.

Approved by: Josh Foli, Comptroller
Comment: Lyon County reimburses the State of Nevada for Child Protective Services. There is likely to be a small fiscal impact for this bill to Lyon County, but it depends on the number of qualifying 18-21 year old people in adoptions.
