Explanation (Use Additional Sheets of Attachments, if required)

BDR 14-106 / SB86 is an act relating to crimes; revising the requirements for eligibility to participate in certain treatment programs for offenders; revising provisions relating to technical violations of the conditions of parole or probation; revising requirements relating to eligibility of probationers for early discharge from probation; reducing the felony theft threshold; and other matters.

SB86 BDR 14-106 Section 6 of this bill reduces the felony theft threshold from $1,200 to $750. Sections 7-24 and 26-29 of this bill make conforming changes to various theft offenses that use monetary thresholds.

If this bill as introduced is enacted, it would require the Department of Public Safety, Records Communications and Compliance Division (RCCD), Nevada Offense Code Unit (NOC) staff to repeal 106 existing Nevada Offense Codes (NOCs) and create 106 new NOCs. However, the cumulative impact of the legislation from the 2023 session will increase the volume of NOC revisions. The RCCD may request to return to the Interim Finance Committee in the 2023-2025 biennium should workload increases necessitate additional staffing.
