BDR 15-107 / SB89 is an act relating to crimes; revising provisions governing crimes relating to sex trafficking; revising certain requirements for compensation from the Fund for the Compensation of Victims of Crime; providing penalties; and providing other matters properly relating thereto.

Section 2 provides that a person who commits the crime of sex trafficking is subject to the same penalties that apply under existing law for committing the crime against a child if the person commits the crime against a peace officer who is posing as a child or a person who is assisting in an investigation on behalf of a peace officer by posing as a child.

If this bill as introduced is enacted, it would require the Department of Public Safety, Records Communications and Compliance Division (RCCD), Nevada Offense Code Unit (NOC) staff to create 6 new NOCs and 6 new subtypes. However, the cumulative impact of the legislation from the 2023 session will increase the volume of NOC revisions. The RCCD may request to return to the Interim Finance Committee in the 2023-2025 biennium should workload increases necessitate additional staffing.
