School District: **Carson City School District**

Approved by: Spencer Winward, Director of Fiscal Services

Comment: Carson City School District (CCSD) is self-insured for industrial insurance but does not belong to an association as set forth by existing legislation. As such, the proposed legislation has no fiscal impact to the CCSD. Please note that proposed legislation does create more of a barrier of entering an association of self-insured public employers as it would create additional administrative costs to enter into and/or maintain membership in the association due to complying with the new proposed legislation. These costs cannot be reasonably estimated at this time but may be such that it would outweigh benefits of joining an association in the future.
