Local Government Responses
S.B. 65 / BDR 34 - 386

School District: **Carson City School District**
Approved by: Spencer Winward, Director of Fiscal Services
Comment: Carson City School District sees no fiscal impact for this proposed legislation.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	$0	$0	$0	$0

School District: **Churchill County School District**
Approved by: Dr. Summer Stephens , Superintendent
Comment: No cost to the district as it is not required to provide the training and at no cost to the district.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	$0	$0	$0	$0

School District: **Clark County School District**
Approved by: Dillon Kay, Director II - Budget
Comment: Does not appear to have a material financial impact on CCSD. If passed, the required work could be absorbed into the current workflow.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	$0	$0	$0	$0

School District: **Douglas County School District**
Approved by: Keith Lewis, Superintendent
Comment: Current Telehealth requirements imposed during the COVID emergency period are scheduled to expire this coming July. This BDR seeks to extend that coverage on an ongoing basis. Given this is just an extension of the current coverage requirements, there is no financial impact. Operating under the assumption that there is at least some current utilization, there could be some inverse fiscal considerations (continued cost for something that was meant to be temporary). Overall cost to the plan for this service is minimal so probably not going to move the needle much one way or the other, but every dollar counts these days!

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
Cannot Be Determined	$0	$0	$0	$0

School District: **Elko County School District**
Approved by: Julie Davis, CFO
Comment: The District's interpretation is that candidates would be responsible for covering this cost, not the District. Therefore, no direct fiscal impact to the District.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	$0	$0	$0	$0

School District: **Humboldt County School District**
Approved by: Dr. David Jensen, Superintendent
Comment: HCSD does not anticipate any fiscal impact with the proposed BDR. However, there will be cost to the candidate to complete the training which may dissuade some individuals from running for office. Distance may also be a barrier to training. The requirements prescribed to NDE will add cost, but at the state level.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	$0	$0	$0	$0

School District: **Lincoln County School District**
Approved by: Pam Teel, Superintendent
Comment: Would be an expense if requirements were to send board members for training in which the school district was bill for all travel

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
Has Impact	$0	$0	$0	$0

School District: **Lyon County School District**
Approved by: Kyle Rodriguez, Fiscal Services Officer
Comment: If the District has to provide funding for the trainings that could be an increased expense.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
Cannot Be Determined	$0	$0	$0	$0

School District: **Nye County School District**
Approved by: Kelly Wood, Executive Secretary
Comment: To make this a burden for a school district would be a substantial fiscal impact.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
Has Impact	$0	$0	$0	$0

School District: **Pershing County School District**

School District: **White Pine School District**
Approved by: Paul Johnson, Chief Financial Officer
Comment: This bill requires certified professional development, fingerprinting and reporting for school board members. All of these activities are currently performed on a continual basis by the school district. Professional development is offered through the Nevada Association of School Board and the Nevada Public Agency Insurance Pool (POOL/PACT). All board members, employees and volunteers are fingerprinted and forwarded to the Central Repository for Nevada Records of Criminal History and the Federal Bureau of Investigation for reports of criminal history. As long as the services provided by these entities are acceptable, any impact should be nominal. The only change required by this bill draft is the requirement to provide the information to the Superintendent of Public Instruction. This BDR may require some additional administrative duties but nothing material from the school district's perspective.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	$0	$0	$0	$0
