City/County: **Humboldt County**
Approved by: Jessica Koepke, Deputy Clerk
Comment: A fiscal impact will occur in Presidential Election years. This duty is already facilitated by the Office of the County Clerk, however, there would be a cost, as moving nonjudicial candidate filing to February will impact facilitating Presidential Preference Primaries and will require hiring additional temporary staff in order to facilitate both duties.

City/County: **Washoe County**
Approved by: Cadence Matijevich, Government Affairs Liaison
Comment: Washoe County anticipates a minor fiscal impact as a result of the provisions of this BDR in the form of reduced overtime expenditures, but a reliable estimate of that fiscal impact cannot be determined. The provisions of this BDR would give staff of the Office of the Registrar of Voters more time to review candidate filings and prepare ballots. Allowing more time between candidate filing and final preparation of ballots would mean that more of that work could be done during normal business hours, resulting in a reduction in overtime expenses. However, because overtime expenditures are not tracked at an individual task basis, we are unable to estimate the overtime savings that would be directly attributable to the provisions of this BDR.
