Comment: Does not appear to have a material financial impact on CCSD. If passed, the required work could be absorbed into the current workflow.

School District: **Douglas County School District**
Approved by: Keith Lewis, Superintendent
Comment: I don't anticipate any cost to Douglas County School District, although I'm not sure if I'm reading this correctly. I believe the Board of Trustees can still charge facility use fees to outside organizations using school property for events.

School District: **Humboldt County School District**
Approved by: Dr. David Jensen, Superintendent
Comment: We are unclear what this bill requires. We don't charge for approved vendors to access our schools or staff, however, the process is defined in our collective bargaining agreements that mandate that a "captive audience" not be provided, as a district, we have reduced the total number of vendors within the district. This reads as if any one representing any group, can have access to our schools and staff.

No Impact	$0	$0	$0	$0

School District: **Washoe County School District**
Approved by: Mark Mathers, Chief Financial Officer
Comment: No fiscal impact based on our reading of the bill that the Board of Trustees would still be able to set facility use fees for school district facilities.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	$0	$0	$0	$0

School District: **White Pine School District**
Approved by: Paul Johnson, Chief Financial Officer
Comment: The school district has not charged for access to property in most instances and has provided access to public information without cost for quite some time so this should not have much of an impact. The only instances where the district has charged for access to school facilities is when the individual/entity is conducting business for profit (e.g. exercise classes). The fees the school collects is nominal so the fiscal note indicates there will be no impact.
